## Volunteerism within the Police Department

***"Success in life has nothing to do with what you gain in life or accomplish for yourself. It's what you do for others."*** *- Danny Thomas*

With this thought in mind, members of the Westfield Police Department and Noblesville Communications Department donated their weekend of September 22-23, 2007 to help out a neighboring community. Every year, the normally sleepy Atlanta, Indiana, population 750, transforms to a bustling sea of 600 vendors with their RVs, campers and portable booths as it hosts the annual New Earth Festival and an estimated 100,000 visitors. Every street is closed to vehicular traffic to create a village-wide mall and the public safety duties overwhelm the small police and fire departments.

When the call for technology assistance came, Westfield PD and Noblesville Communications responded. Noblesville provided two computers and the OSSI Dispatching software while Westfield PD provided a golf cart patrol vehicle and radio communications services from Friday afternoon through Monday morning. Jeff Hendricks and Sharon Torongaugh of Noblesville and Lt. Bob Rushforth and Denny White from Westfield volunteered to spend their weekend in Atlanta to monitor the radios and dispatch for Atlanta authorities. They handled 33 police calls, 16 medical emergencies and one fire.

Atlanta Town Marshal Gary Rouch and Fire Chief Kevin Strausbaugh send their sincere appreciation.
