Westfield in Bloom and Westfield Parks & Recreation will be planting all the garden areas at Quaker Park, and we need your help! We're planting more than flowers - we're planting pride in our community. Community Plant Day is an opportunity for volunteers from both the Westfield in Bloom Committee and the community to come together to help keep Westfield beautiful. Businesses, organizations, families, and individuals are encouraged to join us. Please visit www.westfield.in.gov/parks and check out the Volunteer Opportunities section to sign up today!

Remember to bring your tools and gloves!
