FIRESIDE TALES

Join us for story time at the Council Circle Fire Pit in Simon Moon Park! Fireside Tales is a great free family activity, with each night featuring stories, songs, rhymes, an art activity, and of course, **s'mores**! This year's tales are:

Wednesday, September 18th, 6:30pm:
"Three Times Three Tales"

Hear classic children's tales about famous threes (3 pigs, 3 bears, 3 billy goats). These wacky versions will be told using puppets, props and audience participation. Create art about the number 3.

Wednesday, October 9th, 6:30pm: "Leaf Me Alone"

Shhh! Come hear stories about hibernation and all things autumn. Invent a leaf creature made out of real leaves and flowers you bring from home or use the materials provided.

Wednesday, October 30th, 6:30pm: "Howl-o-ween"

Wear your costumes, if you like, and hear stories that are just a little scary and some that are downright howl-arious! Learn how to tell a jump story, and create a dancing monster.
