The project is broken down into the following individual groups and the following groups are what the Public Works Department of Public Works is recommending for approval:

2012 Bids

- Group B** - Oak Road from 151st Street to 161st Street - Resurface and Wedge & Level – Baumgartner low bid of \$187,130.40.
- Group D** - Carey Road and 169th Street Intersection - Passing Blister/Accel/Decel Lanes – Calumet low bid of \$101,458.00.
- Group F** - Mill and Resurface Timberbrook Run Subdivision – Grady Brothers low bid of \$48,576.00.
- Group G** - Crack Seal, 25 tons of material for 178 miles of road – Reece low bid of \$101,675.00 for the rubberized material that was specified. Calumet Civil Contractors and Milestone bid a lower quality material; therefore their bid prices are rejected.

Collaborative County Line Striping Bid

- Line striping 63 miles of road – Gridlock low bid of \$151,965.36

2012 Quote

- Westfield Farms Subdivision - Concrete repairs in– Karns low quote of \$35,266.34.

The total cost for these projects is \$626,071.10

Regarding Groups A, C and E, these are either still under consideration or have been decided to continue to conduct preventative maintenance to these roads.

Therefore, the Westfield Works Department recommends that the Board of Public Works and Safety requests that the Board consider authorizing the Public Works Department to enter into individual contracts for the projects listed above.
