

Action Item #6 –191st Street and Tomlinson Road Intersection Design Contract

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the following Contract for Professional Services for the engineering, design, and Right of Way services for an intersection that is proposed to be constructed at 191st Street and Tomlinson Road.

This Contract for Professional Services which will consist of engineering services provided by the consultant as directed by the City of Westfield Public Works Department.

The Public Works Department obtained one (1) other quote for these services from an engineering firm and compared these costs associated with the services.

The City of Westfield Administration Director of Enterprise has reviewed this agreement and recommends that the Department of Public Works enter into these services with USI Consultants.

Therefore, it is the recommendation of the Public Works Department for the Board to propose a motion to approve the Contract for Professional Services Agreement with USI Consultants in the amount of \$228,330.00 and authorize the Director of the Public Works Department to execute the agreement.
