RE: Park Improvements as of October 2013

Dear Board Members:

Projects are slowing down for the year but we are ramping up to host our last major event of the year – Westfield in Lights.

There is very little to report regarding construction or project plans.

PARKS

Asa Bales Park restroom and all drinking fountains are being winterized.

Grand Junction Park/Plaza

Demolition is complete on all seven properties.

EVENTS

Fire Side Tales

The last Fire Side Tale “Howl-o-ween” will take place next Wednesday evening in Simon Moon Park.

Walk to School Day

Walk to School was a huge success at Oak Trace Elementary. The Mayor along with about 300 students took part in the fun morning activities. The School is getting state reconignation for the great video they put together.

Grand Junction Derby

In spite of the weather we were able to get the Derby Race in on October 5th. We had approximately 500 in attendance.

Plans for **Westfield in Lights** are being finalized. The date is Saturday, December 7th. We are planning more entertainment on stage and other expanded offering. More details to come.
