Project Overview

Project Location

The subject property is approximately 20.955+/- acres and is located on the southwest corner of State Route 32 and Austrian Pine Way in the Maple Knoll Planned Unit Development ("PUD") Employment District. The property has road frontage along State Highway 32 and Austrian Pine Way.

Project Description

The petitioner is requesting to modify the sign standards of the Maple Knoll PUD (Ordinance 04-02, Section 14 and Exhibit 18) for the proposed Springmill Pointe subdivision to comply with the provisions of the Westfield-Washington Township Zoning Ordinance 16.08.010 Sign Standards ("WC 16.08.10"). The signs standards of the PUD would no longer be applicable to the real estate and would default to the current sign standards for Westfield.

Should WC 16.08.010 be amended in the future, the signage provisions for the Springmill Pointe subdivision would be subject to those amendments per this PUD text amendment request.

Under the sign standards provisions of Maple Knoll PUD (Ord. 04-02), signage allotment is calculated from a 2:1 ratio of linear feet to maximum sign square footage. The petitioner is proposing to default to the current WC 16.08.010, which permits signage allotment calculated from a 1:1 ratio of linear to sign square footage and is the reason for the request.
