**Subject:** Concerning the proposed "Lantern Park" residential development

We live at the southwest corner of 161st and Cool Creek Circle - immediately across from the proposed "Lantern Park" development. While we will not be at this evening's Planning Commission meeting, we wanted to appraise you of our concerns in hope that they will be addressed as this project proceeds forward.

Our concerns:

- Traffic flow at the entrance/exit - primarily during rush hour. Request that Westfield work with the developer to mitigate this issue.
  - To that end, we would be gravely concerned should the number of homes for this area increase beyond the currently proposed maximum of 60.
- Making sure that the proposed development will properly handle rain water run-off from heavy rains.
- Designing in an adequate buffer (preferably trees or very tall shrubs) between the two lots at the entrance of the development and 161st street. In particular, the development should be proactive in the design so that all would know, including the eventual owners of these two lots, that there would still be an appropriate buffer after the day comes when Westfield widens 161st to the north to make it four lanes.

Your attention to these concerns will be most appreciated.

Sincerely,

Ed & Sandy Rowland  
19 Cool Creek Circle
