Westfield, IN 46074

RE: Westfield Boulevard Extension Road Project from 151st Street to Union Street in Westfield, Indiana

Dear Mr. Lollar:

VS Engineering (VSE) has reviewed the eight (8) bids submitted on August 23, 2016 for the above-referenced project. A summary of the bids is attached for your use and review. Based on our review of the bids received all companies have met the requirements of the Contract Documents for submittal of the necessary forms and supporting documents, including Bid Proposal, Bid Security, Form 96, and Financial Statement.

As noted on the attached summary, the lowest adjusted Base Bid in the amount of two million eight hundred and four thousand thirty nine dollars and eighty six cents (\$2,804,039.86) was submitted by Millennium Contractors, L.P.. There was a minor math error that revised the bid total but it did not change the low bidder.

Please note that we have not had a chance to check the references of the low bidder.

We appreciate the opportunity to serve the City of Westfield and working with you to complete this project. If you have any questions regarding these findings or this recommendation, please don't hesitate to contact the undersigned at 317-293-3542 ext 112.

Sincerely,
VS ENGINEERING

Harry C Fox, P.E.
