

ORDINANCE 07-33

TOWN POSITION CLASSIFICATION AND COMPENSATORY TIME ORDINANCE

WHEREAS, the Town of Westfield, Indiana (“Town”), through its elected Town Council (“Council”), is responsible for the creation and publication of the budget for the Town, including the compensation of its employees; and

WHEREAS, the Fair Labor Standards Act (“FLSA”) establishes, among other things, minimum wage and overtime requirements for Town employees. In particular, the FLSA generally requires that in addition to minimum wage, certain “non-exempt” employees are entitled to overtime compensation at a rate of not less than one and one-half times their regular rate of pay for all hours worked over a minimum number during an established workweek or work period; and

WHEREAS, the Council wishes to comply with the FLSA and properly classify the Town’s employees as “exempt” or “non-exempt” for purposes of overtime compensation; and

WHEREAS, consistent with the FLSA, the Town wishes to allow certain “non-exempt” employees to earn compensatory time off for time worked above their normal schedules in a workweek or work period in lieu of cash payment for overtime worked, and to allow certain “exempt” employees to accumulate flex time when they are required to work more than their normally scheduled hours in a workweek, all in accordance with the Town’s compensatory time policy and subject to any applicable collective bargaining agreements; and

WHEREAS, the Council recognizes that establishing the FLSA position classifications and adopting a compensatory time policy may assist the Clerk-Treasurer to carry out her required duties in compensating the Town’s employees;

**NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL
OF THE TOWN OF WESTFIELD, INDIANA:**

SECTION I. Position Classifications. The Town hereby classifies the job positions held by the Town’s employees as either exempt or non-exempt for the purposes of compliance with the FLSA. The classification for each job position within the Town is contained on the attached Exhibit A.

SECTION II. Non-Exempt Employees: Compensatory Time Off

(A) Definitions:

- (1) Civilian Employee shall refer to all Town of Westfield employees not employed as Professional Police Employees or Professional Fire Employees.
- (2) Professional Police Employee shall refer to professional police personnel.
- (3) Professional Fire Employee shall refer to professional fire personnel.

(B) Non-Exempt Civilian Employees: Standard Workweek and Overtime

- (1) The standard workweek for full-time Non-Exempt Civilian Employees is either 37½ or 40 hours.
- (2) Any hours worked in excess of the Non-Exempt Civilian Employee's regularly scheduled hours per workweek must have the prior approval of the employee's department head or the department head's designee. Any hours worked by a Non-Exempt Civilian Employee in excess of his or her regularly scheduled hours for the workweek must fall within the department's budgetary limitations, except in the case of an emergency.
- (3) Non-Exempt Civilian Employees are required to report all hours worked on a personal time sheet that is signed by the employee's department head or the department head's designee. Failure to accurately report hours worked shall result in employee discipline.
- (4) Non-Exempt Civilian Employees shall be entitled to compensation at their regular hourly rate for each hour (of portion of an hour) worked in excess of 37½, but less than or equal to 40 hours in any workweek.
- (5) If Non-Exempt Civilian Employees are required to perform work for more than 40 hours in a workweek, those employees shall be entitled to overtime compensation at the rate of 1½ times their regular hourly rate or to compensatory time off as outlined in subsection (C) for any hour (or portion of an hour) worked in excess of 40.

- (2) When a Non-Exempt Civilian Employee works more than 40 hours in a workweek, the department head, at his or her discretion, may substitute compensatory time off for overtime pay. In order to substitute compensatory time off for overtime pay, however, the department head must have an understanding with the Non-Exempt Civilian Employee that the substitution of compensatory time off may be made for overtime compensation. This understanding shall exist prior to the Non-Exempt Civilian Employee's performance of the overtime work.
- (3) Where compensatory time off is substituted for overtime pay, the Non-Exempt Civilian Employee shall be entitled to compensatory time off at the rate of 1½ hours of compensatory time off for each hour worked in excess of 40 in a workweek.
- (4) Where a Non-Exempt Civilian Employee earns compensatory time off, the employee shall be allowed to accrue a compensatory time off balance up to 40 hours. Once a Non-Exempt Civilian Employee has accrued a balance of 40 hours of compensatory time off, the employee shall not accrue any additional compensatory time off until the Non-Exempt Civilian Employee's compensatory time off balance is reduced below 40 hours.
- (5) Where a Non-Exempt Civilian Employee has accrued a balance of 40 hours of compensatory time off, the employee will be paid overtime for any hours worked in excess of 40 in a workweek until such accrued balance is reduced below 40 hours.
- (6) Non-Exempt Civilian Employees must submit requests to use earned compensatory time off to their department head. Department heads shall allow Non-Exempt Civilian Employees to use accrued compensatory time off within a reasonable period of time after the employee has made such a request, subject to the department head's discretion as to the needs of the department and in a manner that will not unduly disrupt the operations of the department.
- (7) Under no circumstances may a Non-Exempt Civilian Employee take compensatory time off until the employee has earned compensatory time off.
- (8) In the Town's discretion, the Town may elect to pay out accrued but unused compensatory time off at any point during the calendar year, but in all cases employee accrued but unused compensatory time off balances shall be paid out in full by the end of the calendar year or upon separation from employment.

(D) Non-Exempt Professional Police Employees: Standard Work Period and Overtime

- (1) The standard work period for full-time Non-Exempt Professional Police Employees is 28 days.

Any hours worked by a Non-Exempt Professional Police Employee in excess of 171 must fall within the department's budgetary limitations, except in the case of an emergency.
- (3) Non-Exempt Professional Police Employees are required to report all hours worked on a personal time sheet that is signed by the Police Chief or the Police Chief's designee. Failure to accurately report employee hours worked shall result in employee discipline.
- (4) If Non-Exempt Professional Police Employees are required to perform work for more than 171 hours in a work period, those employees shall be entitled to overtime compensation at the rate of 1½ times their regular hourly rate or to compensatory time off as outlined in subsection (E) for any hour (or portion of an hour) worked in excess of 171.

In order to substitute compensatory time off for overtime pay, however, the Police Chief must have an understanding with the Non-Exempt Professional Police Employees, or their representative, that the substitution of compensatory time off may be made for overtime compensation. This understanding shall exist prior to the Non-Exempt Professional Police Employee's performance of the overtime work.
- (3) Where compensatory time off is substituted for overtime pay, the Non-Exempt Professional Police Employee shall be entitled to compensatory time off at the rate of 1½ hours of compensatory time off for each hour worked in excess of 171 in a work period.
- (4) Where a Non-Exempt Professional Police Employee earns compensatory time off, the employee shall be allowed to accrue a compensatory time off balance up to 40 hours. Once a Non-Exempt Professional Police

- (4) If Non-Exempt Professional Fire Employees are required to perform work for more than 212 hours in a work period, those employees shall be entitled to overtime compensation at the rate of 1½ times their regular hourly rate or to compensatory time off as outlined in subsection (G) for any hour (or portion of an hour) worked in excess of 212.
