

Action Item # 9 – Public Works - Ashfield Homeowners Association Request

The Public Works Department is seeking input from the Board for a request by the Ashfield Homeowners Association. The request is to post “No Parking” signs in the cul-de-sac of Nyla Court and Beach Club Drive.

The Ashfield Plat Covenants and Restriction, that have been recorded in the Hamilton County Records Office on July 17, 2003, Instrument Number 200300070133, on page six (6) under the section for Roadway, Item b, states the parking restrictions in cul-de-sacs.

Additionally, in order to make this enforceable, the City of Westfield Traffic Regulations would need to be amended stating the “No Parking’ restrictions.

The Public Works Department is requesting the Board to consider this request.
