RE: Proposed New Bank at Springmill Commons Rezone Plan Review

Dear Mr. Peck:

The Westfield Public Works Department has reviewed the proposed rezone plans for the above project and offers the following comments:

General

1. Please resubmit copies of the drainage report.
2. All obstructions shall be moved out of the obstruction free zone as per Westfield Construction Standards section 02501-1.1-E.
3. The proposed right of way should be 60' per the Westfield Thoroughfare Plan.
4. 8' Asphalt walk path to be installed to the front of the project along Springmill Road.
5. All fees will be paid at the current rate without regard to prior commitments.

I thank you in advance for your cooperation and efforts to move this development along successfully. If you should have any questions or concerns regarding my comments or the above information, please call me at the below listed number.

Sincerely,

Donna Luley
