

Action Item # 6 – Bid Proposals

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the following Bids for approval:

Bids

- 151st Street and Carey Road Intersection and Road Improvements
- Western Way and Greyhound Pass Improvements
- SR32 Passing Blister Project
- 2008 Resurfacing and Road Maintenance
- Sycamore and Birch Street Improvements
- Notice to Bidders- Fire Department Ambulance Apparatus

151st Street and Carey Road Intersection and Road Improvements

The Westfield Public Works Department accepted bids for the 151st Street and Carey Road Intersection and Road Improvement Project on July 7, 2008.

The 151st Street and Carey Road Intersection and Road Improvements generally consist of the reconstruction of the intersection of 151st Street and Carey Road to a round-a-bout and improvements to 151st Street from Carey to Setters road into a Boulevard Section. Similar to what is already existing on 151st Street from Setters to Gray Roads.

The bids based upon the unit costs are:

Contractor	Base Bid
Calumet Civil Contractors	\$582,000.00
George R. Harvey & Sons, Inc	\$588,845.04
Crider and Crider, Inc.	\$623,811.67
American Contracting & Services, Inc.	\$678,862.67

The City of Westfield Village Park Tax Incremental Fund (TIF) will fund this project.

The Westfield Public Works Department and HNTB Engineering staffs have reviewed the bids for this contract and supplemental information submitted by the bidders, and therefore, recommends awarding the contract not to exceed the base bid to _____.

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the 151st Street and Carey Road Intersection and Road Improvements bid submitted by _____ for approval.

Western Way and Greyhound Pass Improvements

The Westfield Public Works Department accepted bids for the Western Way and Greyhound Pass Improvements Project on July 7, 2008.

The Western Way and Greyhound Pass Improvements generally consist of adding a south bound dedicated left turn lane onto 146th Street and Improvements to the intersections of Greyhound Pass and Greyhound Court and the Intersection of Greyhound Pass and Western Way. Traffic Signals will be added at these two intersection locations and these traffic signals will be sequenced with the US31 and Greyhound Pass intersection to synchronize the flow of traffic through these intersections.

The bids based upon the unit costs are:

Contractor	Base Bid
Calumet Civil Contractors	\$582,000.00
George R. Harvey & Sons, Inc	\$588,845.04
Crider and Crider, Inc.	\$623,811.67
American Contracting & Services, Inc.	\$678,862.67

The City of Westfield Village Park Tax Incremental Fund (TIF) will fund this project.

The Westfield Public Works Department and HNTB Engineering staffs have reviewed the bids for this contract and supplemental information submitted by the bidders, and therefore, recommends awarding the contract not to exceed the base bid to _____.

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the Western Way and Greyhound Pass Improvements bid submitted by _____ for approval.

SR32 Passing Blister Project

The Westfield Public Works Department accepted bids for the SR32 Passing Blister Project on July 7, 2008.

The SR32 Passing Blister Project generally consist of adding a west bound passing lane on

The north side of SR 32 at the Ditch Road T-Intersection. Additionally a dedicated

Westbound turn lane will be added for vehicles tuning southbound onto Ditch Road.

The bids based upon the unit costs are:

Contractor	Base Bid
Calumet Civil Contractors	\$582,000.00
George R. Harvey & Sons, Inc	\$588,845.04
Crider and Crider, Inc.	\$623,811.67
American Contracting & Services, Inc.	\$678,862.67

The project will be funded 90% from the Indiana Department of Transportation and 10% from local road funds for this project.

The Westfield Public Works Department and HNTB Engineering staffs have reviewed the bids for this contract and supplemental information submitted by the bidders, and therefore, recommends awarding the contract not to exceed the base bid to _____.

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the SR32 Passing Blister Project bid submitted by _____ for approval.
