

Action Item # 6 Agreements

Agreement- Fire Protection Inspection Agreement – USA Automated Sprinkler

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the following Fire Protection Inspection Agreement for approval.

This Fire Protection Inspection Agreement is with USA Automated Sprinkler company which is a fire protection company. This agreement is to provide the following:

- Annual Automatic Fire Sprinkler System Inspection and Testing
- Annual Fire Alarm & Detection Inspection Testing
- Annual Backflow Preventer Inspection
- 24/7 Central Station Monitoring

The total annual service agreement is for one (1) year for a cost of \$1,700.

The City of Westfield Administration Director of Enterprise has reviewed this agreement and recommends that the Department of Public Works enter into a one (1) year agreement with USA Automated Sprinkler.

Therefore, it is the recommendation of the Public Works Department for the Board to propose a motion to approve the Fire Protection Inspection Agreement with USA Automated Sprinkler and authorize the Director of the Public Works Department to execute the assignment document.
