# WestfieldREADY

CERT – Community Emergency Response Team

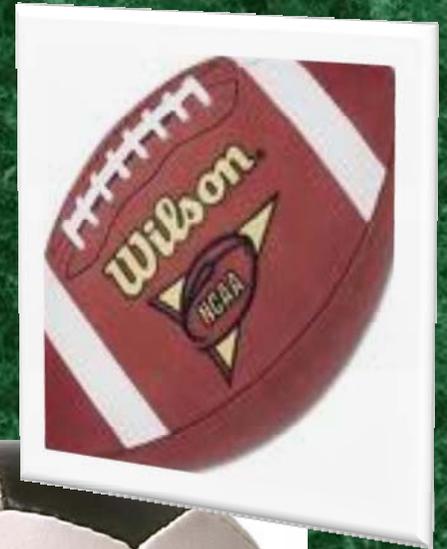

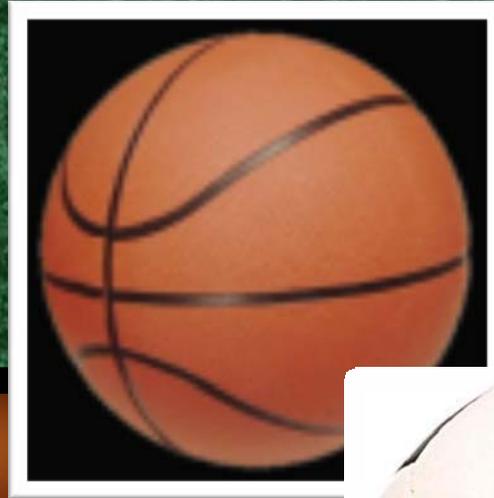

# City-Chamber Initiatives

Zip Codes  
Mentoring Program  
Health Alliance  
Senior Center

# Sports Initiatives

Westfield Youth Programs

# Fiber

- Westfield is one of only a handful of cities that have been successful in deploying commercial fiber in the state of Indiana
- 15 Mile fully managed fiber optic ring with the ability to support up to 12 different Service Providers

**Westfield** *Connects*

# Multi-Use Connectivity Pathways

Extend sidewalks/pathways in older subdivisions  
Possible 50/50 split with City & HOA's

# Westfield's First Market

City's first attempt to create a farmer's market and it was a huge success  
Plans are to be bigger and better next year

# Numa Festival

City's first ever arts & cultural festival

# Yellow Tie Ball

Fundraiser for trails

Preliminary numbers show that we raised nearly \$10,000 dollars

# Homecoming Parade

Very organized and well attended  
Group of parent volunteers put together a great homecoming parade  
Sure to be bigger and better and the years go by

# Grand Junction Task Group

Grand Junction  
Master Plan

## Opportunity Analysis Executive Summary

Prepared for the Downtown Westfield Neighborhood Association  
by Hitchcock Design Group in association with  
EDEN Collaborative, Business Districts, Inc., JFNew and  
Design Organization, Inc.

October 13, 2008

# Thanks!

There has been an outpouring of community support and involvement, which is why we have so many accomplishments to discuss

If we continue down the same path with the level of community support and involvement, Westfield is sure to become a true destination

We started out the year being a new city with not much of an identity. Now, we're a new city that can be identified with many events, programs, services, accomplishments and plans.
