The Appellant is requesting a Variance of Standard from the Westfield-Washington Zoning Ordinance (WC 16.08.010, F2) to allow for an increase in allowable signage from 4 square feet to 24 square feet for a home occupation in the AG-SF1 District.

Ms. Janet Tarr presented the details of the variance requests for a monument sign and an increase in the size of the sign.

Sanders asked staff for clarification on the sign ordinance.

Todd responded.

Tarr stated she would like all the square footage to go toward the monument sign.

Sanders asked if this could be a condition of approval.

Todd responded yes.

Sanders asked if Tarr was planning to have a sign company erect the sign.

Tarr responded she will get prices, but she envisioned a wood sign covered with a vinyl banner and framed in.

Degnan asked about the location of the signs.

Tarr stated probably to the west of the telephone pole.

Sanders advised to make sure the sign does not block the view coming in the drive.

Raines suggested Tarr submit an additional sign plan and come back before the BZA next month at the June meeting.

Discussion followed on whether to continue the item or amend the item at a later date.

These two items will be continued to the June BZA meeting at the request of the petitioner.
