

Action Item # 3 Quote Approval

The Westfield Public Works Department is recommending the following quote for consideration. Both of these quotes are to aid and assistance the Westfield Public Works Department's Transportation Division in maintaining and repairing the city's road transportation network.

Asphalt Hot Mix Trailer

The first quote is for an Asphalt Hot Mix Trailer. Below are the solicited vendors and the quoted prices:

MacDonald Machinery – Stepp Premix Model	\$15,575
Steep Manufacturing Direct	\$15,803
MacAllister – LeeBoy Brand	No Quote

The following are standard on the Stepp Pre-mix Model SPH 1.5:

- Diesel Burner
- Electric Brakes
- Top Door Assist

Both the MacDonald and Steep Direct prices include the electric Overnight Heat option.

Bradco 96-inch, 6-Way Blade with Electric Controls

The second quote is for a Bradco 96-inch, 6-Way Blade with Electric Controls. Below are the solicited vendors and the quoted prices:

MacDonald Machinery – Bradco Blade	\$5,200
MAcAllister	\$5,300

Both of these items will be purchased out of the Local Road and Streets funds.

The Westfield Public Works Department recommends that the Board of Public Works and Safety consider the purchase of both pieces of equipment and authorize the Westfield Public Works Department to purchase the equipment in an amount not to exceed \$15,575 and \$5,200 respectively.
