**WESTFIELD REDEVELOPMENT COMMISSION  
RESOLUTION NO. 2-2009**

**DECLARATORY RESOLUTION OF THE  
WESTFIELD REDEVELOPMENT COMMISSION  
REGARDING THE  
GRAND JUNCTION ECONOMIC DEVELOPMENT AREA**

**WHEREAS**, the Redevelopment Commission (the “Redevelopment Commission”) of the City of Westfield, Indiana (the “City”) has investigated, studied and surveyed economic development areas within the corporate boundaries of the City; and

**WHEREAS**, the Redevelopment Commission has selected an economic development area to be developed under Indiana Code 36-7-14 and Indiana Code 36-7-25 (collectively, the “Act”); and

**WHEREAS**, the Redevelopment Commission has prepared an economic development plan (the “Plan”) for the selected economic development area, which Plan is attached to and incorporated by reference in this resolution; and

**WHEREAS**, the Redevelopment Commission has caused to be prepared:

- (1) Maps and plats showing:
  - (A) the boundaries of the area in which property would be acquired for, or otherwise affected by, the establishment of a redevelopment project area;
  - (B) the location of the various parcels of property, streets, alleys, and other features affecting the acquisition, clearance, remediation, replatting, replanning, rezoning, or redevelopment of the area, and any parcels of property to be excluded from the acquisition or otherwise excluded from the effects of the establishment of the redevelopment project area;
  - (C) the parts of the area acquired, if any, that are to be devoted to public ways, levees, sewerage, parks, playgrounds, and other public purposes under the Plan (as defined herein); and
- (2) Lists of the owners of the various parcels of property proposed to be acquired;
- (3) An estimate of the cost of acquisition, redevelopment and economic development.

**WHEREAS**, the Redevelopment Commission has caused to be prepared a factual report (the “Report”) in support of the findings contained in this resolution, which Report is attached as and incorporated by reference in this resolution;

**NOW, THEREFORE**, be it resolved by the Redevelopment Commission that:

1. The Redevelopment Commission has selected as an economic development area an area within its corporate boundaries, which area the Redevelopment Commission is hereby designating as the Grand Junction Economic Development Area (“Economic Development Area”), and which Economic Development Area is described in Exhibit A, which includes, subject to the approval of the Board of Commissioners (the “County Commissioners”) of Hamilton County, Indiana (the “County”), certain parcels currently located in the County as described in Exhibit B.

2. The Redevelopment Commission finds that the Plan for the Economic Development Area:

- a. Promotes significant opportunities for the gainful employment of the citizens of the City;
- b. Attracts major new business enterprises to the City;
- c. Benefits the public health, safety, morals and welfare of the citizens of the City;
- d. Increases the economic well-being of the City and the State of Indiana; and
- e. Serves to protect and increase property values in the City and State of Indiana.

3. The Redevelopment Commission finds that the Plan cannot be achieved by regulatory processes or by the ordinary operation of private enterprise without resort to the powers allowed the Redevelopment Commission under Indiana Code 36-7-14 because of:

- a. The lack of local public improvements;
- b. Multiple ownership of land; and
- c. Other similar conditions, specifically, the undeveloped and rural nature of the area nearby and the City’s ability to compete for private development.

4. The Redevelopment Commission finds that the accomplishment of the Plan will be of public utility and benefit as measured by:

- a. The attraction and retention of permanent jobs;
- b. An increase in the property tax base;
- c. Improved diversity of the economic base; and
- d. Other similar benefits that specifically serve as a basis for making future public capital expenditures.

5. The Redevelopment Commission proposes to acquire, as needed, interests in real property within the boundaries of the Economic Development Area as shown in the Plan.

6. The Plan for the Economic Development Area conforms to other development and redevelopment plans for the City.

7. The Redevelopment Commission estimates that the cost of implementing the Plan will not exceed \$723,750,000.

8. The Redevelopment Commission finds that no residents of the Economic Development Area will be displaced by any project resulting from the Plan and, therefore, the Redevelopment Commission finds that it does not need to give consideration to transitional and permanent provisions for adequate housing for the residents.

9. This paragraph shall be considered the allocation provision for the purposes of Indiana Code 36-7-14-39. The entire Economic Development Area shall constitute an allocation area as defined in Indiana Code 36-7-14-39. Any property taxes levied on or after the effective date of this resolution by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area shall be allocated and distributed in accordance with Indiana Code 36-7-14-39. The base assessment date for property in the allocation area shall be March 1, 2009. The allocation provisions of Section 39 of the Act shall, with respect to the allocation area, expire on July 7, 2034, at the latest. The Redevelopment Commission directs the presiding officer to notify the Indiana Department of Local Government Finance of the designation of the Economic Development Area as an allocation area.

10. The Redevelopment Commission hereby determines that twenty-five percent (25%) of the captured assessed value within the Economic Development Area for all tax years during the term of the allocation area shall be passed through to affect taxing units within the Economic Development Area with the remaining accumulated captured assessed value to be used by the Redevelopment Commission in its discretion, pursuant to the Act, including to provide adequate debt service coverage for bonds issued to finance infrastructure and other projects for the Economic Development Area.

11. All of the rights, powers, privileges, and immunities that may be exercised by the Redevelopment Commission in a Redevelopment Area or Urban Renewal Area may be exercised by the Redevelopment Commission in the Economic Development Area, subject to the limitations in Indiana Code 36-7-14-43.

12. The presiding officer of the Redevelopment Commission is hereby authorized and directed to submit this resolution, the Plan, and the Report to the Westfield-Washington Advisory Plan Commission (the "Pan Commission") for its approval.

13. The Redevelopment Commission also directs the presiding officer, upon receipt of the written order of approval of the Plan Commission and the approval of the Plan Commission's order by the Common Council of the City, to publish notice of the adoption and substance of this resolution in accordance with Indiana Code 5-3-1-4 and to file notice with the Plan Commission, the Board of Zoning Appeals, the Board of Public Works, the Park Board, the building commissioner and any other departments or agencies of the City concerned with City

planning, zoning variances, land use or the issuance of building permits. The notice must state that maps and plats have been prepared and can be inspected at the office of the City's department of redevelopment and must establish a date when the Redevelopment Commission will receive and hear remonstrances and objections from persons interested in or affected by the proceedings pertaining to the proposed project and will determine the public utility and benefit of the proposed project. Copies of the notice must also be filed with the officer authorized to fix budgets, tax rates and tax levies under Indiana Code 6-1.1-17-5 for each taxing unit that is either wholly or partly located within the proposed allocation area.

14. The Redevelopment Commission also directs the presiding officer to prepare or cause to be prepared a statement disclosing the impact of the allocation area, including the following:

- A. The estimated economic benefit and costs incurred by the allocation area, as measured by increased employment and anticipated growth of real property, personal property and inventory assessed values; and
- B. The anticipated impact on tax revenues of each taxing unit that is either wholly or partly located within the allocation area. A copy of this statement shall be forwarded to each such taxing unit with a copy of the notice required under Section 17 of the Act at least ten (10) days before the date of the public hearing described in Section 13 of this Resolution.

15. The Redevelopment Commission further directs the presiding officer to submit this resolution to the Common Council of the City for its approval of the establishment of the Economic Development Area.
