

## **Action Item #5**

### **East Access Road Design Engineering Services Contract**

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the following contract for services for the investigation and design of the East Access Road. This road runs behind Wal-mart/Marsh and will include a roundabout at 151<sup>st</sup> Street and a signal on Greyhound Pass. A new park entrance will be constructed at Cool Creek Park and 151<sup>st</sup> Street will be resurfaced from Thatcher Road to Oak Road.

This proposed contract includes engineering services for the design, permits, landscape & lighting, environmental, right-of-way engineering, right-of-way acquisition, and bidding services.

The Westfield Parks Department recommends that the Board of Public Works and Safety authorize the Director of Public Works to enter into the contract with American Structurepoint, Inc. for an amount not to exceed \$256,450.00
