

## **Action Item #6**

### **Road Maintenance Improvement Plan**

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the following contract for services for the investigation and assembly of a Road Maintenance Improvement Plan for the City of Westfield transportation network.

This proposed contract includes engineering services for the assessment of existing roads for various parameters such as pavement condition, subgrade conditions, road geometrics, safety requirements and traffic control devices. Once complete, this Road Maintenance Improvement Plan for the City of Westfield transportation network will be conduct of an ongoing 5-year maintenance plan that will enable the City to establish road improvement priorities and budgets.

The Westfield Parks Department recommends that the Board of Public Works and Safety authorize the Director of Public Works to enter into the contract with VSE Engineering for an amount not to exceed \$\$84,400
