

#### **Action Item # 4 – 2009 Sidewalk Curb Ramp Maintenance Program**

The Westfield Public Works Department accepted bids for the 2009 Sidewalk Curb Ramp Maintenance Program Project on May 27, 2009.

The Project generally consisted of replacement of ADA ramps throughout the downtown area to meet current ADA requirements for public sidewalks. This project is part of the Hamilton County Community Development Block Grant Program. 78 ramps, 192 sidewalk squares, and 1,851 LF of curb were placed with this project.

Below is a summary of the final costs to complete the project:

**Original Contract Amount \$127,360.00**

Change Order #1 – Removal and replacement of roll curb \$46,275.00

(1,851 LF at \$25.00 per LF)

Change Order #2 – Placement of topsoil in sidewalk removal area. Needed to eliminate unsafe crossing location \$150.00

**Change Order Request Total \$46,425.00**

**Revised Final Contract Amount w/ Change Orders \$122,555.37**

Therefore, the Westfield Public Works Department recommends that the Board of Public Works and Safety consider these Change Orders for approval.
