

RESOLUTION 07-13

A RESOLUTION OF THE TOWN OF WESTFIELD APPROVING AND ADOPTING NEW FEE SCHEDULES FOR THE COMMUNITY DEVELOPMENT DEPARTMENT

WHEREAS, the Town of Westfield, Indiana (“Town”) maintains a Community Development Department that has among its duties assesses the need for and amount of fees necessary for the economical sufficiency of the office; and,

WHEREAS, Westfield Code of Ordinances WC 16.04.180 authorizes the Town Council to adopt a fee schedule by resolution on an annual basis; and,

WHEREAS, the Community Development Department has assessed the need for a new fee schedule necessary to reflect the changing needs of the department and duties required of the staff; and,

WHEREAS, the Town Council has been duly advised in this matter;

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF WESTFIELD, INDIANA:

Section 1. Pursuant to WC 16.04.180 the Council now finds that a new fee schedule is to be adopted and applied utilized by the Community Development Department.

Section 2. That the Council now finds that the fees outlined by “Figure 1”, attached hereto and incorporated by reference herein, shall be the updated fees.

Section 3. All previous fees adopted by this Council are now deemed updated to reflect those contained in “Figure 1”.

Section 4. That any and all acts done to further this action are now deemed ratified by the Town Council.

ALL OF WHICH IS RESOLVED this ____ day of _____, 2007.

<u>OTHER</u>	
Certificate of Occupancy	\$50
Demolition	\$100
Building Relocation	\$100/structure
Temporary Building	See note 7.

“Figure 1” (Continued)

NOTES:

1. Square footage calculations shall be based on gross square footage of dwelling, including basement, attached garage and unfinished attic rooms.
2. Models and Displays – Offices, mobile homes, residences or apartments planned to be moved to other locations will be charged the same fee as permanent construction plus dismantling or moving fee.
3. No permit charges are made on distribution lines for oil, gas, water, electricity, telephone, cable television, fiber optic and other telecommunications.
4. An improvement that requires approval by the Indiana Department of Fire and Building Services shall also require a Building Permit to be issued by the Town of Westfield, Community Development Department.
5. Additions to residential dwellings shall require Building Permits to be issued.
6. When a structure is moved from one location to another, within Washington Township, Hamilton County, Indiana, applicable fees shall be charged for removing the structure from its location. Building Permit fees shall be charged for the placement of the structure at its new location. To receive a Building Permit, all appropriate materials must be supplied to the Building Commissioner, as if the structure were being newly constructed.
7. Temporary Permit fees are based on a thirty (30) day period. All periods less than thirty (30) days shall be charged the full thirty- (30) day rate. (i.e., thirty-one (31) days equals two (2) thirty (30) day periods, sixty-one (61) days equals three (3) thirty (30) day periods).

All temporary building permit fees are calculated by the base rate of \$100, times the number of structures, times the number of months (maximum of three (3) months) (\$100 X 1 structure X 3 months=\$300).

“Figure 1” (Continued)

Review Of Application – THE REVIEW PROCESS MAY TAKE UP TO TEN BUSINESS DAYS BEFORE APPLICATION IS APPROVED. Prior to the issuance of any building permit, the Building Commissioner, or duly authorized representatives, shall:

1. Review all building permit applications to determine compliance with the adopted construction standards.
2. Review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding.
3. Review building permit applications for new construction or substantial improvements within the floodplain area having special flood hazards to assure that the proposed construction (including prefabricated and mobile homes):
 - a. Is protected against flood damage;
 - b. Is designed (or modified) and anchored to prevent flotation, collapse, or lateral movement of the structure; and
 - c. Uses construction methods and practices that will minimize flood damage.

Inspections – After the issuance of any building permit, the Building Commissioner shall make, or shall cause to be made, inspections of the work being done as are necessary to ensure compliance with the provisions of the adopted construction standards and the terms of the permit. Reinspections of work found to be incomplete or not ready for inspection shall be subject to additional fees as prescribed in this document.

Inspection Assistance – The Chief of the Fire Department, or designated representatives, may assist the Building Commissioner in the inspection of fire suppression, detection and alarm systems and may provide reports of such inspection to the Building Commissioner.

Entry – Upon presentation of proper credentials, the Building Commissioner or duly authorized representatives may enter at reasonable times any building, structure or premises in the Town of Westfield and/or Washington Township to perform any duty imposed by this document.

Stop Work – Whenever any work is being done contrary to the provisions of this document, the Building Commissioner, or duly authorized representatives, may order the work stopped by notice, in writing, served on any persons engaged in the causing of such work to be done. Any such persons shall forthwith stop such work until authorized by the Building Commissioner, or duly authorized representatives, to proceed with the work.

Certificate Of Occupancy – No certificate of occupancy for any building or structure constructed shall be issued unless such building or structure was constructed in compliance with the adopted construction standards. It shall be unlawful to occupy any

“Figure 1” (Continued)

such building or structure unless a full, partial, temporary or conditional certificate of occupancy has been issued by the Building Commissioner.

Workmanship – All work on the construction and alteration of buildings and other structures shall be performed in a good and workmanlike manner according to accepted standards and practices in the trade.

Violations – It shall be unlawful for any person, firm or corporation, whether as owner, lessee, sub-lessee, or occupant, to erect, construct, enlarge, alter, repair, improve, remove, convert, demolish, equip, use, occupy or maintain any building or structure, in the Town of Westfield or cause or permit the same to be done, contrary to or in violation of the provisions of this document.

Right Of Appeal – All persons shall have the right to appeal any order of the Building Commissioner first through the Town Council of the Town of Westfield and then to the Fire Prevention and Building Safety Commission of Indiana in accordance with the provisions of IC 22-13-2-7 and IC 4-21.5-3-7.

Remedies – The Building Commissioner shall, in the name of the Town of Westfield, bring actions in the Circuit or Superior Courts of Hamilton County, Indiana, for mandatory and injunctive relief in the enforcement of and to secure compliance with, any order(s) made by the Building Commissioner. Any such action for mandatory or injunctive relief may be joined with an action to recover the penalties provided for in this document.

Penalties – Any person, firm or corporation which fails, refuses, or neglects to obey any provision of this code shall be fined an amount not less than twenty-five dollars (\$25), nor more than three hundred dollars (\$300). Each day each violation exists shall constitute a separate offense.
