

Action Item #9 – Contract - Engineering Services for Bridge Design – 156th Street over Wm. Knight Regulated Drain

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the following contract for services for the design of a new structure over the Wm. Knight Regulated Drain between Oak Ridge Road and US 31. The project includes engineering services for the survey, design, geotechnical, permits, bidding services, and construction inspection.

The Public Works Department obtained three competitive quotes from companies that provide these services. These companies are as follows with their submitted contract amounts:

| | |
|--|-------------|
| Beam, Longest, and Neff, LLC Consulting Engineers 8126 Castleton Road Indianapolis, IN 46250 | \$73,400.00 |
|--|-------------|

| | |
|--|-------------|
| United Consulting Engineers 1625 N. Post Road Indianapolis, IN 46219 | \$75,010.00 |
|--|-------------|

| | |
|---|--------------|
| HNTB Architects, Engineers, Planners 111 Monument Circle, Suite 1200 Indianapolis, IN 46204 | \$132,000.00 |
|---|--------------|

The Westfield Parks Department recommends that the Board of Public Works and Safety authorize the Director of Public Works to enter into the contract with Beam, Longest, and Neff, LLC Consulting Engineers for an amount not to exceed \$73,400.00.
