RE: Freedom Trail Park

Dear Mr. Cooley

We have reviewed the master concept plan submitted to the Hamilton County Surveyor's Office on June 16, 2008, for this project and have the following comments:

1. The proposed project falls in the incorporated area and MS4 jurisdiction of the City of Westfield.
2. The proposed project DOES partially fall in a Westfield Wellhead Protection Zone.
3. The proposed project falls in the Cool Creek Regulated Drain Watershed.
4. Based on the 2003 Flood Insurance Study for Cool Creek, I interpolated the BFE on this parcel to be 864.75' NVGD 29. Please try to avoid placing any fill below this elevation and make sure to protect buildings (concession stand) from flood damage by making them higher than this elevation.
5. Hamilton County Surveyor's Office has no objections to the master concept plans that have been submitted at this time. I will need to see full construction documents before any actual onsite work begins.

Should you have any questions, I can be reached at 317-776-8495.

Sincerely,

Greg Hoyes, AC, CFM
