This money is available to the employee if they would resign from the city. Once the employee begins to draw a retirement check from PERF this fund may be used to supplement that monthly retirement or received in full at retirement.
2. 6.75% is contributed for the employee (city's contribution) and is added to the general state retirement fund that supports all state employees through the PERF retirement program.

457 Plan (Supplemental Retirement Plan)

The City of Westfield offers three supplemental 457 retirement plan options to all employees. Employees may contribute (pre tax) a maximum amount authorized by law into one of these accounts (Valic, National Retirement Solutions, or The Hartford).

City Matching Contribution

To encourage employee participation in the 457 plans, the City makes a matching contribution of \$.667 for each \$1.00 contributed up to 6% of base pay for all civilian employees. This matching contribution is made in June and December of each year.

2. 6% is deducted from each fire and police personnel's bi-weekly pay to make an additional contribution to this plan.

Attachment B

Buy Back Plan

Because of significant previous years of service to the City of Westfield before the new "POLICE AND FIRE PERF Program" was put into place, the City is required to make additional payments into the state POLICE AND FIRE PERF program for a period of 10 years ending in December 2011 to make up for past years of "non contributions". This "Buy Back" is for selected fire personnel that have been with the Fire department for an extended period of time. These additional contributions over a 10 year period are placed into the general retirement fund at the state level for fire pensions.
