

## **Village Park TIF East Access Road Project – Bid Award**

The City of Westfield Public Works Department is requesting that the Board of Public Works and Safety consider the following bids for consideration and make a recommendation for award.

The Village Park TIF East Access Road Project consists of constructing a new road between Greyhound Pass and 151<sup>st</sup> Street between the Village Park Plaza (behind Marsh, Simon Properties and Wal-Mart) and the Carmel Landing Apartments. A round-a-bout will be constructed at the proposed intersection of 151<sup>st</sup> Street and the East Access Road and will include constructed a new entrance for Hamilton County's Cool Creek Park. This project will also consist of building multi-use paths and resurfacing 151<sup>st</sup> Street from Fire Station 81 to Oak Road and resurfacing 151<sup>st</sup> Street from Carey to Setters Road.

This project was bid on April 4, 2010 and the Public Works Department received three bids. Right-of-Way acquisition for the East Access Road is substantially complete for the proposed project.

Following is the proposed schedule for the East Access Road:

- Plan set review for City                      Monday 3/29
- Marked up review to SP                      Friday 4/2
- Bids advertised                                  Friday 4/9
- 2<sup>nd</sup> advertisement                              Friday 4/16
- Bid opening                                      Wednesday 4/28
- Board of Public Works                        Thursday 9/2
- Precon & Utility Coordination              Tuesday 9/7 (tentative)
- Contractor Mobilization                      Monday 9/13 (tentative)

### Utility Relocation

- Duke, AT&T, Vectren, Comcast    October - December

The following is the list of contractors and their associated bids for this project:

- E&B Paving                                      \$2,206,060.00
- Rieth-Riley Construction                    \$2,278,000.00
- Calumet Civil Contractors                   \$2,322,200.00

All Bids have been reviewed by American Structure Point and the Public Works Engineering Division.

Therefore, the Westfield Public Works Department Recommends to the Board of Public Works Department to authorize the Public Works Director to execute the agreement for Contractual Services for the Construction of the East Access Road.
