

# Applications and Forms required to Comply with the City of Westfield Plan Reviews

Please be sure to have the forms below with your plans at the time of submittal. Failure to have the forms with your plans **will delay the start of review** until we receive the forms.

- Stormwater Rule 5 NOI completely filled out
    - Plan review fees
  - Water NOI completely filled out with check for \$300(Westfield approves)
  - Sanitary permit application completely filled out with check for \$300(Westfield approves)
  - 2 CDs of construction plans in State Plane coordinates with “auto turn” applied.
- After plans are approved, all fees will have to be paid and Performance Bond with application will need to be submitted before a PreConstruction meeting may take place. Prior to PreConstruction meeting any easements will need to be filed, if required.***

#### **Fees that may need to be paid may include:**

- Water – availability and/or connection
- Sanitary- availability and/or connection
  - Erosion Control fees
  - Road Impact fees
  - 110% Performance Bonds
- Any water/sanitary easements filed prior to approval
