RE: 1901 State Road 32 West Rezone

Dear Mr. Lane:

We have reviewed the rezone submittal to the Hamilton County Surveyor's Office on December 2, 2010, for this project and have the following comments:

1. The proposed project falls in the unincorporated area and MS4 jurisdiction of the Hamilton County.
2. The proposed project falls in the Little Eagle Creek Regulated Drain Watershed.
3. This proposed project DOES fall within the 3000 foot protection buffer for the Little Eagle Creek Estates public water supply well.
4. The Hamilton County Surveyor's Office has no comments/concerns with the rezone.

Should you have any questions, I can be reached at 317-776-8495.

Sincerely,

Greg Hoyes, AC, CFM, CPESC
