

Action Item #4 – Horseshoe Well Field

The Westfield Public Works Department is requesting that the Board of Public Works and Safety consider the development of the Horseshoe Wellfield for the development of two wells and a raw water line. The development of this project was budgeted in the 2011 Water Budget and is pursuant to the Indiana Code.

For the development of the raw water line, three quotes were received from Culy Construction (\$88,378), Valenti-Held (\$46,743) and Willis Excavating (\$93,175). For the development of the two wells two quotes were received from Bastin-Logan (\$169,000) and Culy Construction (\$201,000).

Therefore, the Westfield Public Works Department recommends that the Board of Public Works and Safety authorize the Westfield Public Works Department Director proceed with the construction of the well field development pursuant to the information provided above.
