

Natalie Wheeler

January 8, 1976 — October 26, 1986

When Natalie went to be with Christ in October of 1986 at the age of 10 years old, the town of Westfield was heartbroken. A small town then, Westfield lived together as a close-knit community. Although much bigger now, the sense of community that was shared during her life is something that Westfield still strives to maintain today. So, as you pass your neighbors on this trail, stop, and say hello.

Natalie's memory will forever live on with this trail dedicated in her name. She was an active acolyte of Christ United Methodist Church of Westfield, Hamilton County 4-H champion, and enjoyed cheerleading, swimming, and soccer.

Those who met her and knew her had a caring friend. It was her sense of being involved, her life of knowing no stranger, and her unconditional love for all of God's creatures that is missed. Her family is still actively involved with the community of Westfield.
