Dear Secretary LaHood:

As President of Westfield Youth Sports (WYSI), I am pleased to write this letter in support of the proposal for the City of Westfield's Grand Park Economic Development District (GPED) "2011 TIGER III Discretionary Grant Program."

The Grand Park Sports Campus will be a both a premier tourism destination and a home for local sports organizations such as WYSI which administers youth baseball, softball, football, lacrosse, track & field, basketball, volleyball, wrestling, and cheerleading programs. Investments in the infrastructure for GPED will serve the thousands of local families that participate in our programs and those who visit the campus from out of town. The grant will support exciting improvements that will enhance the experience of those using the complex and will greatly enhance the economic impact of the complex on our community.

WYSI fully supports the efforts of the City of Westfield as they seek funding for the Grand Park Sports Complex

Very truly yours,

WESTFIELD YOUTH SPORTS
