The Honorable Andy Cook
Mayor of Westfield
130 Penn Street
Westfield, IN 46074

Dear Mayor Cook:

Thank you for updating me on the activities and projects of the City of Westfield. I am heartened by your efforts to strengthen community ties and facilitate economic growth.

I am pleased to hear how the City's economic development plan would incorporate the historic Monon Trail. The Monon Trail is one of Indiana's prized possessions, and the trail provides Westfield's residents a tremendous bond. Indeed, Westfield is a community that values outdoor and indoor recreation and the health benefits that are associated with the active lifestyle. I have no doubt the citizens of Westfield will greatly appreciate local developments that enhance these values. I also applaud you for creating jobs and commerce in the area. Your work is a crucial component for achieving the city's goals.

I commend your dedication to improving the quality of life for the personal and economic benefit of those in Westfield.

Sincerely,

Dan Coats
U.S. Senator
