WESTFIELD

In 1832, Asa Bales, Nathan Parker and Ambrose Osborne traveled with their families, from North Carolina, along with other members of the religious Society of Friends called Quakers.

Two years later, in 1834, Bales, Parker & Osborne platted and developed the roads in Westfield, named after the Westfield Monthly Society of Friends Meeting of North Carolina.

Westfield began as an honest, hard working Quaker town, and though we have grown with housing and incorporation, we are still Quaker at heart.

Westfield, 1862. Intersection of Union Street and State Road 32, looking East.
