Westfield in Bloom and the Westfield Parks & Recreation will be planting all the garden areas at Quaker Park, and we need your help! We're planting more than flowers - we're planting pride in our community. Westfield in Bloom is a volunteer

committee created by the Westfield Park and Recreation Department. Their purpose is to instill a greater sense of civic pride and enhancing the quality of life in the community through education and community involvement. Community Plant Day is an opportunity for volunteers from both the Westfield in Bloom Committee and the community to come together to help keep Westfield beautiful. Busi-

nesses, organizations, families, and individuals are encouraged to join us. To sign up to volunteer for Community Plant Day, please visit [www.westfield.in.gov/parks](http://www.westfield.in.gov/parks) and go to the Volunteer Opportunities section.
