Bridgewater Center at 146th Street

The Westfield Chamber of Commerce is in favor of quality projects that serve to further increase the City of Westfield's taxable assessed valuation and enhance the business community of Westfield, Indiana.

With that, the Westfield Chamber Board of Directors would like to see the Bridgewater Center at 146th Street project move through the appropriate process with staff in order to fulfill needed requirements while addressing the public input and suggestions in regard to this project.

It is the Chamber Board's desire that all requirements associated with this project will be met and Bridgewater Center at 146th Street will become a contributing member of the Westfield business community and assist in increasing the City's tax base while strengthening the business community of Westfield, Indiana.

On behalf of the Westfield Chamber of Commerce, this statement was produced through the Board's official process and meets the criteria set forth for a positive recommendation. So it has been consented to, with appropriate abstentions, that the Westfield Chamber of Commerce Board of Directors issues this statement.

Mission Statement of the Westfield Chamber of Commerce

The mission of the Westfield Chamber of Commerce is to promote a positive business environment in the Westfield community.
