GRAND PARK CONSTRUCTION OPEN HOUSE

Are you interested in what's happening at Grand Park? Have you been wanting to take a tour to see how big Grand Park will be? Well, now you can! Mark your calendars, because the City of Westfield is inviting the public to come to a Construction Open House on November 3rd from 11am to 4pm.

GRAND PARK SPORTS CAMPUS

The Construction Open House is the first public opportunity to get a tour of the grounds and view the amazing progress that has been made at Grand Park, which is in the second phase of construction.

Free wagon ride tours will be running throughout the event and will showcase what is being done at the park,

as well as, what to expect in the next phases of construction. Complimentary hot dogs from Zacky's Hotdogs will be available along with other refreshments. Inside the main tent, interactive exhibits and a virtual video tour will show visitors what the finished Grand Park Sports Campus will look like.

The Construction Open House event is also your chance to learn about the development happening around the park, from the Grand Park Village concept to Mainstreet – the new healthcare facility located off of 186th Street. Weather permitting, there will also be free tethered balloon rides in order for you and your family to get a bird's eye view of the park! Come and join us at this exciting event!

WPD PILOTS CITIZENS POLICE ACADEMY

The Westfield Police Department is giving a few lucky residents a glimpse into the challenging jobs they do everyday. This is a 10-week program where attendees have the opportunity to see all aspects of the department, including the day-to-day operations along with all of the police specialty programs. WPD plans to open the academy to the general public in the near future. Interested persons should keep their eyes out for an announcement on the Police Facebook page.

BOY SCOUTS COLLECT FOOD FOR A CAUSE

The Boy Scouts are making it easy for Westfield families to give thanks this year! Boy Scout Troop 107 and our local Cub Scouts will be collecting non-perishable food items door-to-door for the Open Doors and Amanda Strong food pantries on Saturday, November 10th. Food collected will go directly to the Open Doors Thanksgiving Meal and the Amanda Strong Christmas Basket programs for families in need right in our own City.

The Boy Scouts are not able to cover all neighborhoods, so if you do not receive a bag, you are welcome to drop your food directly at the Christ United Methodist Church Garage, 318 North Union Street in downtown Westfield, 10:00am until 2:00pm on the 10th of November. Members of Troop 107 will be there to greet you and collect your donation.
