Pulte Proposal of August 29, 2013

EXECUTIVE SUMMARY

VIKING MEADOWS - PARCELS E & F

Pulte Homes of Indiana, LLC, recently proposed its newest development in Westfield, the Enclave and Springs at Viking Meadows. The Enclave and Springs development is planned to be part of the Viking Meadows Home Owners Association (the “HOA”). In discussions with the current Viking Meadows residents, a concern arose regarding the number of owners entitled to use the Viking Meadows amenities once the Enclave and Springs and Parcels E and F of Viking Meadows are developed.

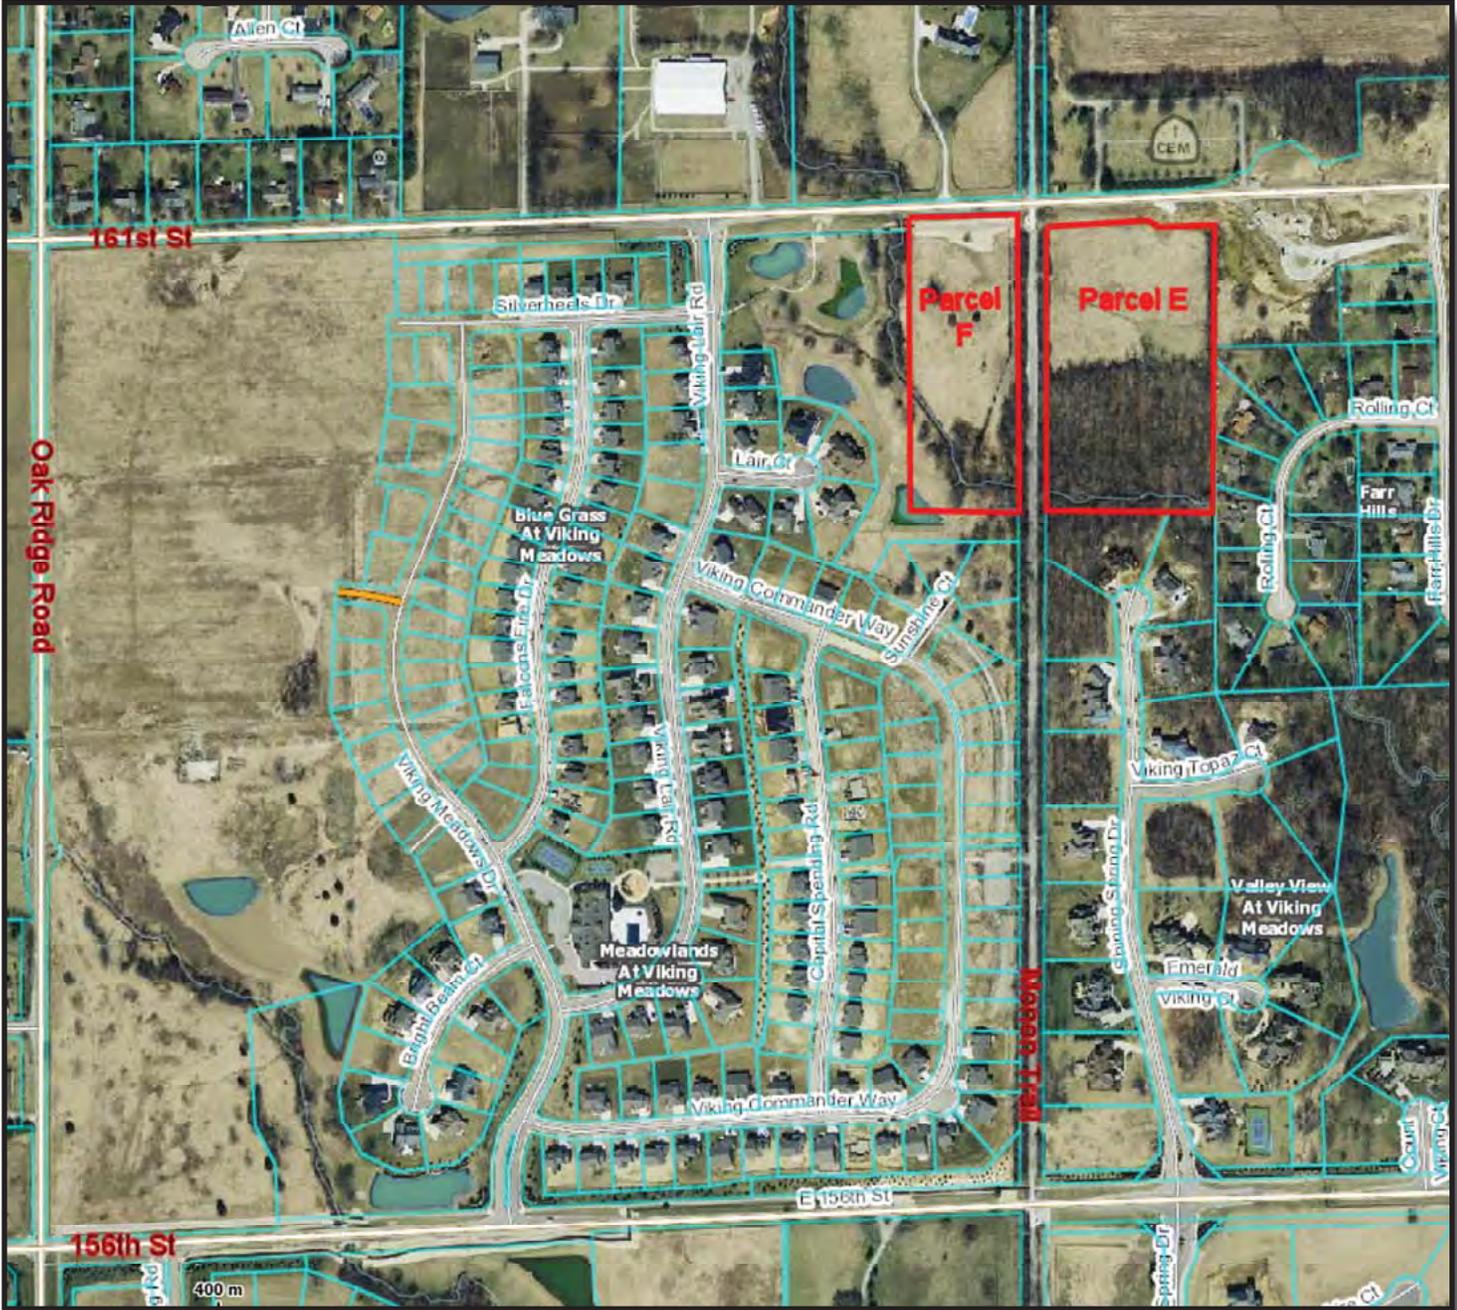

As a result of that concern, Pulte has agreed to:

- Provide Parcels E and F with their own separate amenities (the number of which will comply with the City’s MF district amenity requirements per Table 16.04.040-1 of Exhibit 12 of the Original PUD Ordinance).
- Remove Parcels E and F from the HOA.
- Not use the Viking Meadows name as part of the development of Parcels E and F.
- Incorporate into the Ordinance (please see Tab 3A) and the commitments (please see Tab 4) a number of additional conditions related to the HOA as set forth in the Pulte Proposal, dated August 29, 2013, which is included at Tab 5.

Thank you for your consideration.

Pulte's Proposal dated 8-29-13:

Items to be included in Private Agreement with Viking Meadows Homeowners:

1. **Capital Contribution to HOA Reserve Fund:** From each closing on a home that is constructed within the Enclave and Springs areas, the HOA will receive \$800. The minimum total amount to be received by the HOA will be \$100,000. This amount may be utilized in the sole discretion of the homeowners once the HOA is turned over to a Homeowner controlled board of directors. Its uses may include but are not limited to improvements in the amenities area including the addition of a third swimming pool or other improvements that the HOA controlled board deems appropriate.
2. **Turnover of Control of the Viking Meadows HOA:** Pulte will amend the Declaration to agree to turn over the Association duties (Except for the New Construction Committee) as previously set forth in section 4.2 (Voting) (b) after 88% of the lots within the Viking Meadows community after including the Enclave and Springs parcels have been transferred to third parties.
3. **Parcels E&F Naming requirements:** Parcels E&F would not utilize the name Viking Meadows in naming the community and the words Viking Meadows will not appear anywhere in the community signage related to parcels E&F.
4. **Miscellaneous E&F requirements:** Pulte Homes agrees not to modify the zoning requirements related to the building construction within Parcels E&F. Additionally, Pulte agrees that no garage doors will directly front on existing Viking Meadows common areas that are not part of the current legal description for Parcels E&F. Additionally, Pulte would not pursue any local business uses on either Parcel E or F.
5. **Viking Meadows Clubhouse:** Pulte agrees to provide a detailed update on the construction of phase III of the Clubhouse during the December 2013 HOA update meeting. This update will include but not be limited to: an overview of the proposed improvements to be located in phase III and related fixtures/furnishings.
6. **HOA legal Fees:** Pulte Home will consent to the HOA spending up to \$5,000 in outside legal fees to be paid out of the Viking Meadows HOA to review any final agreement between Pulte and the existing Viking Meadows homeowners related to the Enclave and Springs PUD, this agreement and the amendment to parcels E&F.
7. **Termination of Pulte's ability to "Annex" additional area into the HOA:** Pulte Agrees to terminate it's right per the Declaration of Covenants and Restrictions to add/"Annex" additional real estate to the Viking Meadows Community after the annexation of the Enclave and the Springs areas. Additionally, Pulte agrees not to annex either the Fox Hollow nor the Peterson real estate into the Viking Meadows HOA.

EXHIBIT D (continued)

1. **Removal of Parcels E&F from Viking Meadows Amenities Area usage:** Parcels E&F will be removed from the Viking Meadows amenities area and will not be able to utilize the Viking Meadows Amenities area or any of the improvements therein.
2. **Amenities to be provided in Parcels E&F:** Parcels E&F will be required to provide for their own number of amenities per the Westfield zoning ordinance MF2 District Table 16.04.040-1. The following items shall be added to amenities that count toward the number of amenities that must be provided: dog park, outdoor entertainment area (provided it has one gas grill and sitting area) and connection to the Monon Trail provided that such connection provides for the following: sitting area, landscaped entrance to trail area, drinking fountain.
3. **The Springs – Addition of a playground area:** Pulte Homes agrees to add a playground in the Springs area that is consistent with the playground requirements set forth in the MF2 district.
4. **The Springs and Enclave – Entranceway and perimeter landscape requirements:** The Enclave and Springs would have entranceways substantially similar to those at Two Gaits on their exterior roadways with the same perimeter fencing and landscaping requirements.

Pulte's Proposal dated 8-29-13:

Items to be included in Private Agreement with Viking Meadows Homeowners:

1. **Capital Contribution to HOA Reserve Fund:** From each closing on a home that is constructed within the Enclave and Springs areas, the HOA will receive \$800. The minimum total amount to be received by the HOA will be \$100,000. This amount may be utilized in the sole discretion of the homeowners once the HOA is turned over to a Homeowner controlled board of directors. Its uses may include but are not limited to improvements in the amenities area including the addition of a third swimming pool or other improvements that the HOA controlled board deems appropriate.
2. **Turnover of Control of the Viking Meadows HOA:** Pulte will amend the Declaration to agree to turn over the Association duties (Except for the New Construction Committee) as previously set forth in section 4.2 (Voting) (b) after 88% of the lots within the Viking Meadows community after including the Enclave and Springs parcels have been transferred to third parties.
3. **Parcels E&F Naming requirements:** Parcels E&F would not utilize the name Viking Meadows in naming the community and the words Viking Meadows will not appear anywhere in the community signage related to parcels E&F.
4. **Miscellaneous E&F requirements:** Pulte Homes agrees not to modify the zoning requirements related to the building construction within Parcels E&F. Additionally, Pulte agrees that no garage doors will directly front on existing Viking Meadows common areas that are not part of the current legal description for Parcels E&F. Additionally, Pulte would not pursue any local business uses on either Parcel E or F.
5. **Viking Meadows Clubhouse:** Pulte agrees to provide a detailed update on the construction of phase III of the Clubhouse during the December 2013 HOA update meeting. This update will include but not be limited to: an overview of the proposed improvements to be located in phase III and related fixtures/furnishings.
6. **HOA legal Fees:** Pulte Home will consent to the HOA spending up to \$5,000 in outside legal fees to be paid out of the Viking Meadows HOA to review any final agreement between Pulte and the existing Viking Meadows homeowners related to the Enclave and Springs PUD, this agreement and the amendment to parcels E&F.
7. **Termination of Pulte's ability to "Annex" additional area into the HOA:** Pulte Agrees to terminate it's right per the Declaration of Covenants and Restrictions to add/"Annex" additional real estate to the Viking Meadows Community after the annexation of the Enclave and the Springs areas. Additionally, Pulte agrees not to annex either the Fox Hollow nor the Peterson real estate into the Viking Meadows HOA.

Items to be addressed in the Enclave/Springs PUD & Parcels E&F amendment to the Viking Meadows PUD:

1. **Removal of Parcels E&F from Viking Meadows Amenities Area usage:** Parcels E&F will be removed from the Viking Meadows amenities area and will not be able to utilize the Viking Meadows Amenities area or any of the improvements therein.
2. **Amenities to be provided in Parcels E&F:** Parcels E&F will be required to provide for their own number of amenities per the Westfield zoning ordinance MF2 District Table 16.04.040-1. The following items shall be added to amenities that count toward the number of amenities that must be provided: dog park, outdoor entertainment area (provided it has one gas grill and sitting area) and connection to the Monon Trail provided that such connection provides for the following: sitting area, landscaped entrance to trail area, drinking fountain.
3. **The Springs – Addition of a playground area:** Pulte Homes agrees to add a playground in the Springs area that is consistent with the playground requirements set forth in the MF2 district.
4. **The Springs and Enclave – Entranceway and perimeter landscape requirements:** The Enclave and Springs would have entranceways substantially similar to those at Two Gaits on their exterior roadways with the same perimeter fencing and landscaping requirements.
5. **Architectural Standards for the Springs and Enclave:** The Architectural standards for the Springs would be the same as those for the Meadowlands lots that are not on the spine road. The Architectural Standards for the ranch homes would be set forth in the PUD but would include the following: Hardee plank siding, dimensional roof shingles and side overhangs.
6. **Perimeter walking trails and paths around the Springs and Enclave:** Perimeter walking trails/paths would be installed around both communities.
