SECTION 02505 - STANDARDS OF PERIMETER TRAILS, EQUESTRIAN TRAILS, MULTI-USE TRAILS, AND SIDEWALKS

PART 1 - GENERAL

1.1 Trail and sidewalk construction shall conform to the following requirements and standards:

A. Definitions:

1. Designated Trailhead – A designated point of access that may contain a parking area, information kiosks, restrooms, water fountains, and may be reached by vehicular or pedestrian access.
2. Multi-Use Trail – A facility that is physically separated from motorized vehicular traffic with an open space or barrier and either within the highway right of way or within an independent right of way. These trails are part of the Westfield Parks & Recreation system and are called out in the Alternative Transportation section of the current Thoroughfare Plan. A multi-use trail can be used by pedestrians, skaters, wheelchair users, joggers, bicyclists or other non-motorized users.
3. Sidewalk – The portion of a local street right of way designed for preferential or exclusive use by pedestrians.
4. Perimeter Trail – A route designed, designated, or constructed within or outside street right of way for recreational use or to provide an alternative to vehicular routes within a transportation system. These trails will parallel streets designated in the current Thoroughfare Plan and provide connection to the multi-use trail system.
5. Equestrian Trail – A route designed, designated, or constructed for the recreational use of equestrian riders as identified in the Trail Master Plan.

B. Perimeter Trails, Multi-Use Trails, Equestrian Trails & Sidewalks:

1. Perimeter Trails shall be constructed to a minimum width of eight (8) feet. The trail shall be constructed of asphalt. The maximum design speed for these perimeter trails is 20 mph. These trails shall be constructed using the following as minimum requirements:
 - a. Four (4) inches INDOT Type D, Compacted Aggregate No. 53, base
 - b. Three (3) inches HMA, Type A, Intermediate, 9.5mm
 - c. One (1) inch HMA, Type A, Surface, 9.5mm

- d. See Figure PT-01 Typical Cross Sections – Perimeter Trail in Part 2, Section 2.1
2. All sidewalks shall be placed on properly prepared and compacted subgrades. These sidewalks shall be constructed using the following as minimum requirements:
 - a. Sidewalks shall be at least six (6) inches thick at drives and at least four (4) inches thick at all other locations within the subdivision.
 - b. Sidewalks shall be at least five (5) feet wide at all locations.
 - c. Sidewalks shall be concrete in accordance with Section 02500.
 - d. Expansion joints shall be located every 48 feet and control joints every five (5) feet minimum.
 - e. See Figure PT-02 Typical Cross Sections – Sidewalk in Part 2, Section 2.1
 3. Curb ramps shall comply with the most current INDOT and ADA requirements.
 4. Multi-use trails shall be constructed to a minimum width of twelve (12) feet with a two (2) foot stone shoulder. The maximum design speed for these multi-use trails is 20mph. These trails shall be constructed using the following as a minimum requirements:
 - a. Sixteen (16) feet wide, Four (4) inches thick INDOT Type D, Compacted Aggregate No. 53, base
 - b. Twelve (12) feet wide, Three (3) inches HMA, Type A, Intermediate, 9.5mm
 - c. Twelve (12) feet wide, One (1) inch HMA, Type A, Surface, 9.5mm
 - d. Two (2) feet wide, Four (4) inches thick INDOT Type D, Compacted Aggregate unwashed No. 12 stone shoulder, level with asphalt surface
 - e. See Figure PT-03 Typical Cross Sections – Multi-Use Trail in Part 2, Section 2.1
 - f. See Figure PT-04 Typical Cross Sections – Multi-Use Trail Adjacent to Equestrian Trail in Part 2, Section 2.1
 - g. See Figure PT-05 Typical Cross Sections – Multi-Use Trail Adjacent to Equestrian Trail with Railing in Part 2, Section 2.1
 5. Equestrian trails shall be cleared of vegetation to a minimum width of eight (8) feet and ten (10) feet high. These trails shall be constructed using the following as a minimum requirements:
 - a. On center, three (3) foot surface of eight (8) inches INDOT Type D, Compacted Aggregate No. 53

- b. See Figure PT-04 Typical Cross Sections – Multi-Use Trail Adjacent to Equestrian Trail in Part 2, Section 2.1
 - c. See Figure PT-05 Typical Cross Sections – Multi-Use Trail Adjacent to Equestrian Trail with Railing in Part 2, Section 2.1
6. All perimeter trails or multi-use trails shall be placed on properly prepared and compacted subgrades. Materials shall be furnished and installed in accordance with Section 02500 and INDOT Standard Specifications.
 7. Where perimeter trails and multi-use trails intersect streets designated in the current Thoroughfare Plan, the streets must have signage and traffic control devices that meet current MUTCD standards and shall be installed at the developer's expense. When required, coordination and permitting with INDOT is also at the expense of the developer.
 8. The perimeter trails, equestrian trails, sidewalks or multi-use trails shall intersect the road at a 90 degree angle, where possible, but may not be less than 45 degrees.
 9. Clear sight lines should be provided for both the motorist and the trail user. See specifications on Figure PT-06 Trail/Road Intersection Sight Distance, located in Part 2, Section 2.1
 10. If not located within public rights-of-way, an easement of at least ten (10) feet in width shall be provided for sidewalks and perimeter trails.

C. Plans:

1. Construction plans for improvements to be installed shall be furnished in accordance with the specifications of the City of Westfield and/or, when appropriate, to the Hamilton County Highway Department. Such plans must receive all appropriate approvals before improvements are installed. Upon construction completion of multi-use trail, perimeter trail, and equestrian trail improvements, as-built plans should be submitted on CD to the City of Westfield GIS Coordinator after the City of Westfield Inspector's punchlist has been completed, and when appropriate, to the proper governing body of Hamilton County.
2. All construction plans shall include the following:
 - a. Inspection - Prior to starting any construction, arrangements shall be made for inspection of work to ensure compliance with plans and specifications approved by the City of Westfield or, when appropriate, the Hamilton County Highway Department.
 - b. All construction must be approved by the Development Construction Superintendent, or duly authorized representative.

Notice of construction must be given to the Development Construction Superintendent, or duly authorized representative, 48 hours prior to beginning work.

D. Allowable Modifications - Where unusual or exceptional factors or conditions exist, the City of Westfield may allow minor modifications of any provision of this Section. When such modifications are allowed, a detailed written statement of the reasons for such modifications shall be attached to all copies of construction plans.

E. Drainage:

1. All trails must have a 2% cross slope. A smooth surface is essential to prevent water ponding or ice formation.
2. Where a multi-use trail is constructed on the side of a hill, a swale or other storm water collection system of approved dimensions must be placed on the uphill side to collect the hillside drainage. Such swale must be designed so that an undue obstacle cannot interfere with trail use. Where necessary, a catch basin with drains should be provided to carry the collected water under the trail. Drainage grates must be located outside the trail. All drainage-structure grates must be designed for all wheeled traffic.
3. The minimum diameter of a culvert which conveys flow under a multi-use trail is 15 inches. Each culvert should be designed to pass a minimum 2-year event.

F. Waterway Crossings:

1. Permitting - A structure crossing a waterway is required to obtain all federal, state, county, and local permits and approvals.
2. Allowable bridge decking products include:
 - a. Structural concrete slab for multi-use trails
 - b. City of Westfield approved treated wood products or concrete for perimeter trails.
 - c. Alternatives must be sent to the Westfield Parks & Recreation Department for evaluation. These alternatives must also be accompanied by a data sheet, provided by the manufacturer, stating that the product is designed for the proposed use.
3. All bridges on multi-use trails shall be designed to structurally support 10,000 pounds.

4. All bridge designs must be reviewed by a professionally licensed structural engineer selected by the City of Westfield, at the expense of the developer.

G. Railings:

1. Trail Railing

- a. Design of railings is based on specifications located in Part 2, Section 2.1, Figure PT-07 Perimeter and Multi-Use Trail Wood Railing Details.
- b. All trail railings shall be 54 inches in height.
- c. Design loading shall be W=50 pounds per linear foot transversely and vertically, acting simultaneously on each rail.
- d. Any opening in railing elements shall not allow a 6-inch diameter sphere to pass through.

2. Equestrian Railing

- a. Design of railing is based on specifications located in Part 2, Section 2.1, Figure PT-08 Equestrian Wood Railing Details.
- b. All equestrian trail railings shall be 45 inches in height.
- c. Design loading shall be W=50 pounds per linear foot transversely and vertically, acting simultaneously on each rail.
- d. Any opening in railing elements shall not allow a 6-inch diameter sphere to pass through.

- H. Bollards or gates should be used on a case by case basis. Location of bollards or gates must be approved by the Westfield Parks & Recreation Department.

I. Fiber Optic:

1. The developer shall provide and dedicate to Westfield, at no cost to Westfield, easements along all trails, in locations mutually determined by the Developer and Westfield for the installation of fiber optic pipe or conduit and fiber optic cable, as well as maintenance and operation of the Fiber Optic Network.
2. The Developer shall, at its sole cost and expense, be responsible for the installation of conduit within the fiber easements, but shall not be responsible for the installation of any cable.

J. Multi-Use Trail Signage:

1. Trail identification and informational signage and sign specifications are called out in Part 2, Sections 2.1 and 2.2.

2. Regulatory signage along multi-use trails should comply with MUTCD standards as listed below:

- a. "Stop" (R1-1) at 10 feet from edge of street
- b. "No Motor Vehicles" (R5-3) with R1-1
- c. "Cross Traffic Does Not Stop (W4-4P) with R1-1
- d. "Stop Ahead" (W3-1) 150 feet from "Stop" (R1-1) sign
- e. Warning Signs (i.e. curve ahead) 100 feet from hazardous condition
- f. "Pavement Ends" 150 feet from end of trail

K. Multi-use trail access points must be approved by the Westfield Parks & Recreation Department, as outlined in Policy PK 06-11, per Ordinance 11-22.

END OF SECTION 02502

Policy: PK 04-11

Policy Title: Westfield Geo-Caching Policy

Policy Purpose: Set forth rules and regulations regarding geo-caching in Westfield park facilities

Implementation Date: March 1, 2011

Revision Date: January 1, 2013

City of Westfield Parks and Recreation Department Geocaching Policy

The purpose of this policy is to provide rules, regulations and guidance for the management of geocaching activities on Westfield Parks and Recreation Department properties. Any person who participates is subject to all Westfield Parks and Recreation rules and regulations. Geocaching is an activity that requires a permit so that the Westfield Parks and Recreation Department staff can monitor the activity within park boundaries and prevent any detrimental impact on the parks themselves, as well as protect the safety of all park visitors.

Definitions:

1. Cache – term refers to a container that is used in association with the activity of geo-caching. The object usually contains such items as a logbook, pen, pencil, map and/ or trinkets.
2. Department – refers to Westfield Parks and Recreation Department.
3. Property – refers to any property owned, leased, or maintained by the Westfield Parks and Recreation Department.
4. Geocaching – refers to a game pursued by global positioning systems (GPS) users. An individual or organization places a cache and shares its location on the internet. A participant in the game applies for GPS coordinates to locate the target cache or caches. When located, the participant records the find on the designated website such as www.geocaching.com. The game may provide that objects are traded at the cache.
5. Multi-cache – refers to containers that are located from the information received in another cache.

Permit Application:

1. A person wishing to place a cache within one of the Department's properties must obtain an "official geocaching permit" before placing the cache. A cache which has been placed without obtaining a permit from the Department will be removed and may be returned to the owner. If the owner cannot be reached, the cache will then be disposed of by the Department staff within one month of notification.
2. The Department Administration is authorized to issue, condition, or deny any permit application.
3. The application (Exhibit A) may be obtained from and returned to the Department's Administration Office(2728 East 171st Street). Applications will be reviewed within one week of receipt.
4. Permits are good for two (2) years from issuing date.

General Prohibitions, Limitations and Requirements:

The following applies to the placement of any cache and/or any geocaching activity:

1. A person must not violate any Department rules or regulations, or any local, state or federal laws.
2. Areas within parks that contain any of the following may not qualify for placement of geocaches :
 - Areas containing environmentally sensitive ecosystems
 - Areas containing historical sites
 - Areas containing endangered flora or fauna
3. A person must not dig or otherwise disrupt the ground when placing a cache.
4. The Department is not required to approve any multi-cache, but may approve a multi-cache with no more than four (4) stops within the multi-cache.
5. The maximum number of caches per Westfield Parks and Recreation Department properties is up to the discretion of the Department's Administration.
6. The person who holds the permit must inspect the cache at least once every six months to ensure that it meets all permit criteria. During the inspection, the permit holder must remove any inappropriate items. These include, but are not limited to; food, alcohol, firearms, drugs, items not suitable for minors, or other items which may pose a danger to people or wildlife.
7. An official geocaching permit expires two (2) years after the date of issue.

Permit Standards:

The Department Administration shall exercise reasonable discretion in determining whether to issue, condition, or deny an application for an official geocaching permit. In the exercise of discretion, the following factors and principles apply:

1. A cache cannot be approved for placement in any sensitive archaeological, historical or ecological area.
2. Any scheduled resource management activity, such as prescribed burns and species eradication, shall be considered in evaluating a permit application.
3. A cache cannot be approved for placement in an area that could reasonably cause danger to a geocaching participant or to any other person who visits a Department property.
4. The Department Administration requires a person requesting an official geocaching permit to provide a photograph of the cache and the exact site and coordinates where the cache is placed.
5. Any factor reasonably consistent with proper use and protection of the particular site.

Permit Suspension or Revocation and Site Reclamation:

1. The Department may suspend or revoke a geocaching permit if a term is violated, or if the location of the cache is found to pose a threat to the safety of park visitors or the surrounding environment. The Department shall make every attempt to notify the permit holder of the action, as well as any designated websites.
2. Upon the suspension, revocation or termination of a geocaching permit, the permit holder is responsible for the removal of the cache, for the site restoration, and for any associated expenses.

3. The reason for the Department's actions shall be recorded on the permit. If the permit holder elects to relocate the cache, a new permit will need to be reviewed and issued.

Implementation Date: September 12, 2011
Revision Date: January 1, 2013

CITY OF WESTFIELD
PARKS AND RECREATION DEPARTMENT
Trail Access Permit Policy

1. PURPOSE

- A. The trails throughout Westfield are for the enjoyment of the residents and visitors to our community. The Westfield Parks and Recreation Department must assure safe access to the trails for public and private use.
- B. The City of Westfield is responsible for maintaining all named trails and linear parks specified in the Alternative Transportation Plan in the Westfield Thoroughfare Plan and in Trail Overlay Zoning Ordinance, and it is therefore necessary to set minimum standards for construction of all improvements for which the City will be responsible in order to avoid assuming unnecessary maintenance cost and inconvenience to the citizens and businesses of the City of Westfield.
- C. In order to not compromise the drainage along trails, the Director of Parks and Recreation may require an engineered drainage plan to be submitted from a licensed engineering firm. Such a plan will be at the cost of the applicant.
- D. All improvements intended for public or private use to be constructed on the City's named trail corridors as a privately maintained improvement must be approved by the Director of Parks and Recreation using this permitting process
- E. Anyone wishing to have access to the trails where a public access point has not been provided by the City must complete the Trail Access Permit Process.

2. AUTHORITY

- A. The Westfield Parks and Recreation Department has the legal responsibility for managing all City Parks and Trail property. All trail access permits shall be in accordance with this ordinance and subject to the authority of the Director of Westfield Parks and Recreation.
- B. The Westfield City Council shall hereby grant the Director of Parks and Recreation the authority to approve trail access permits, as an agent of the City.
- C. The Director shall have the right to appoint a deputy to perform the duties of the trail access permit administration.

3. TRAIL ACCESS PERMIT PROCEDURES

A. Application Process

- a. All trail access permit applications shall be in written form using the Trail Access Permit Application (exhibit A). Applications should be submitted to the Westfield Parks & Recreation Administrative Office (2728 East 171st Street).
- b. The permit must be submitted and approved before any work can be done on City property. No work will be allowed prior to the review. A penalty fee of up to \$500 will be enforced by the City with a stop work order for unauthorized work performed before permits are approved.
- c. Upon review of the application, if it is found to be incomplete or if an engineering plan is necessary, the applicant will be notified of what documentation is required to process the application.
- d. If an engineering plan is required, the application cannot be considered until the engineering plan is received.

B. Trail Access Application Requirements

- a. An 11"x17" drawing of the proposed access point must be included with the application.
- b. Site photographs showing the location of the proposed access point and the proximity to the trail must be provided.
- c. Specifications and/or descriptions of the materials to be used must be included with the application
- d. A Maintenance Plan specific to the improvement planned at the trail access location should be included. Areas of maintenance that should be included but are not limited to are landscaping, hardscape, and drainage.
- e. Proof of property insurance

C. Notification

- a. The applicant shall be notified after a review period of the approval or denial of said plan.
- b. All written notification will be done by e-mail or by US Mail.
- c. Approved permits will be mailed to the applicant once all requirements are met and a written notification has been provided to the applicant.
- d. Upon approval, a boundary sign will be placed at the trail access location with the permit number and expiration date indicated.

D. Permit Life

- a. A permit is good for two years for the original applicant only.
- b. If the property is sold, a new application must be submitted by the new owners.
- c. Any changes to the original access permit design must be resubmitted for approval before the changes can be made.
- d. The permit can be automatically renewed by the original applicant if the following stipulations are met:
 - i. Access has been maintained per approved maintenance plan
 - ii. Proof of Insurance is current and updated for additional year
 - iii. No problems have arisen as a result of the permit being granted

E. Permit Cancellation Procedures

- a. If at any time the requirements of the original permit are not being met, the Director of Parks and Recreation can revoke the permit and remove all improvements within the trail corridor.
- b. Any cost incurred by such removal will be charged to the property owner, and fees may be assessed.

F. Penalties

- a. Any person, firm, corporation or any other entity that shall be in violation of this ordinance, or any amendment thereto, shall receive a fine of not more than \$500. Each day an entry or access is made without the issuance of a proper permit shall constitute a separate offence and each separate offense shall subject the violator to a separate fine.
- b. A person, firm, corporation or any other entity that fails to maintain the approved improvement in accordance with the access permit shall be liable to the City of Westfield in a civil action for damages in an amount equal to the cost of court cost, litigation expenses and attorney's fee incurred by the City.

G. Severalty

If any portion, section, subsection, sentence, clause or phrase of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion of this Ordinance, it being the intent of the City of Westfield Parks and Recreation Department that this Ordinance shall stand, notwithstanding the invalidity of any portion, section subsection, clause or phrase, hereof.

Policy: PK 01-11
Policy Title: Westfield Parks & Recreation Special Event Policy
Policy Purpose: Establish Non-Park Special Event Protocol
Implementation Date: March 1, 2011
Revision Date: January 1, 2013

**CITY OF WESTFIELD
PARKS AND RECREATION DEPARTMENT
NON-CITY SPONSORED SPECIAL EVENT POLICY**

A. Purpose and Intent

1. The Westfield Parks and Recreation Department assists in bringing group events to Westfield that contribute to the community's quality of life. In the continuing efforts by the City to provide the public with quality recreational choices in well maintained, clean, and safe parks, Westfield has developed the following standard operating procedures to review requests for Special Events to be held in the City Parks.
2. Park facilities may be made available for non park related uses consistent with the policies herein and subject to availability.

B. Definition

1. Special Event.

"Special Event" means a group activity including, but not limited to, a performance, meeting, assembly, contest, exhibit, ceremony, parade, athletic competition, reading, or picnic involving more people than an individual shelter rental could accommodate or a group activity in which a specific park space is requested to be reserved. Special Events are not defined as casual park use by visitors or tourists, or individual shelter rental.

C. Uses

1. Priority shall be given to groups and individuals whose request reflects significant community interest and general value. The Westfield Parks Director or his/her designee will review and balance each request. The Westfield Parks Director or designee reserves the right to refuse rental/use.
2. Applicants wishing to use the park facilities shall meet requirements as outlined in the Eligible User Groups as developed by the Westfield Parks and Recreation Department.

C. Consideration

1. Scheduling priority will be given according to the order indicated below with Group 1 having the first priority and Group 4 having the last. Scheduling will be on a first come, first served basis within a group. A Group 1 organization may bump a lower priority group with a one month or greater notification.
2. In order to recover some of the costs associated with special events, Special Event Public Safety and Maintenance Fees may be charged.
3. The Westfield Parks Director reserves the right to waive rental fees.
4. Facilities shall be available for only non profit uses. Any exceptions shall be at the sole discretion of the Westfield Parks Director or designee and shall be evaluated by the benefit to the public.
5. In an emergency, the Parks Department shall cooperate with recognized state or federal agencies in the use of all park facilities without charge, superceding all other scheduled events and uses.
6. Special Events such as weddings or funerals shall be scheduled under exceptional conditions and as schedules allow.
7. City employees wishing to host a special event other than a shelter rental for individual use will adhere to this same policy.

F. Eligible User Groups

Group 1: Direct City Related Activities E.g. City Department meetings, classes, special events, or activities	No Rental Fee No Maintenance Fee No Public Safety Fee
Group 2: Joint Sponsored Events E.g. DWA, Washington Township Parks Department, Hamilton County Parks Department, Schools and Education Foundation, Library	No Rental Fee No Maintenance Fee No Public Safety Fee
Group 3: Civic and Service Organizations, Non-Profits E.g. Scouts, 4-H Clubs, Youth Athletics, Youth Organizations, Rotary, Lions, Kiwanis, Churches, Chamber of Commerce, other Community Groups	Rental Fee Maintenance Fee Public Safety Fee (if necessary)
Group 4: Private Businesses, Organizations, and Citizens Acceptable events will be determined by Parks & Recreation Director	Rental Fee Maintenance Fee Public Safety Fee (if necessary)

G. Application Procedure

1. All requests should be made in writing using the **Permit for Special Event Use** form (Exhibit B) and submitted to the Westfield Parks and Recreation Administration Office at a minimum of 30 days prior to the requested event date. Applications are available online at the Westfield Parks and Recreation website below; at City Service Center – Customer Service and at the Westfield Parks and Recreation Administration Office.

<http://www.westfield.in.gov/parks>

Please note: if a large scale event (an event with estimated 500+ people in attendance) is being proposed, you may need as much as one year's preparation.

2. The application must state the specific time and date of the event as well as all facility needs to be furnished by the City.
3. The Westfield Parks Director will determine the merits of the application and availability of the location. A copy of the signed application will be given to the Westfield Fire Department, Westfield Police Department, and the Westfield Public Works Department for their comments regarding public safety and to determine if any public safety and maintenance fees will be charged.
4. Upon approval of the special event, all rental, maintenance and public safety fees will be invoiced with the due date indicated on the invoice.
5. A refundable damage deposit of \$200 is required for all special events. If alcohol is served, the deposit increases to \$600. The damage deposit should be paid with a separate check from any rental and public safety fees. Renters agree to be responsible for any additional charges incurred or damages caused by renter's activities.
6. Upon receipt of certificate of insurance (please see Section H), and payment of damage deposit and fees, a copy of the approved application will be returned to serve as the permit.
7. Permits granted may be subject to cancellation at any time by the Westfield Parks Director or his/her designee.

H. Insurance and Liability

1. Any group using the Westfield City Parks for any purpose must provide a certificate of insurance showing proof of liability insurance in the amount of \$100,000 property damage per occurrence and \$1,000,000 bodily injury per occurrence naming the City of Westfield as an additional insured.

2. The requesting party shall protect and hold harmless the City of Westfield and its **elected officials, employees, staff and representatives, and each of them**, from any and all claims, suits, liabilities, damages or causes of action of any kind, provided such person was acting in the discharge of his/her duties.

I. Rules and Regulations

1. Applicants shall comply with all Rules of Park Operations set forth in – Ordinance 10-28 PK 02-11. A copy is posted on the Parks Department webpage and is available upon request.
2. Holders of permits shall confine their use strictly to the specific area approved and will not be permitted to use any other space, equipment or apparatus unless it is approved in the application.
3. The applicant and his/her organization shall be held strictly accountable for complying with the rules and regulations that govern use of the City Parks, and shall be responsible for damages, losses, or accidents, which might occur while the organization is using the site. If proper care is not exercised, the continued use of the City Parks may be denied.
4. The sponsoring organization must provide adequate supervision and must ensure visitors use only the areas approved for rental/use. The organization will also provide all necessary supporting personnel such as medical personnel, parking attendants, set up and cleanup crews. A Public Safety fee may be charged if these services are deemed necessary to be provided by the City.
5. It is the sole responsibility of the user to secure additional trash receptacles or have trash hauled away if park containers will not accommodate the needs of the event. Trash that is not disposed of properly or overfills a receptacle may result in a loss of deposit. The Westfield Parks and Recreation Administration will determine if the size of the event requires a rental of an outside dumpster. Dumpsters are only to be placed in designated areas approved by the Westfield Parks and Recreation Administration.
6. The sponsoring organization is required to provide portable restrooms if the special event will have attendance of over 500 persons. The requirement is one portable restroom per 500 attendees. At least one in every three rented must be handicap accessible. Delivery must be at the latest date and time possible prior to the event and removed from Park property no later than 24 hours after the event. Westfield Parks and Recreation Department is not responsible for any damage to portable restrooms. Portable restrooms are to be placed only in designated areas approved by Westfield Parks and Recreation Administration. Vendors are responsible for any water supply hoses.

7. Vehicles are not allowed on Park property that is not designated for parking. Deliveries or setup needs that require a vehicle to enter the park must be approved in advance by the Westfield Parks and Recreation Administration.
8. The sponsoring organization is responsible for providing information if tents are being proposed as part of the event set-up and for calling in utility locates to prevent interference with irrigation, fiber and utility infrastructures.
9. Users are encouraged to exercise Universal Precautions (Universal Precautions refers to the practice, in medicine, of avoiding contact with bodily fluids, by means of wearing medical gloves, goggles and face shields) and to have the necessary emergency first aid kits issued to their members.
10. A report of any personal injury must be submitted to the Westfield Parks and Recreation Administration Office by the person securing the permit within 24 hours after an injury.
11. Property damage must be reported immediately to the City representative on duty, and an itemized list of any property damage must be provided to the Westfield Parks and Recreation Administrative Office by the person securing the permit within 24 hours after any such damage.
12. No signs, displays, or materials may be attached, nailed or otherwise affixed to shelters, trees, buildings or existing signs.
13. For temporary signage at locations outside of the park, or road closures or blockages, the sponsoring organization must obtain an Encroachment Permit through the City of Westfield Community Development Department, which may carry an additional fee. The Encroachment Permit Application is available online at www.westfield.in.gov or at the City Service Center. Please allow ten (10) working days from receipt for approval.
14. No Park fixtures may be moved without consent of the Westfield Parks Director.
15. The use of special equipment, including but not limited to, cooking equipment, musical instruments, and public address systems and sports equipment will be reviewed per application.
16. Alcohol use is restricted and will be reviewed per application. All necessary licensing and insurance is required. If approved, the damage deposit increases from \$200 to \$600.
17. Use of the Park facilities will be terminated if the City determines the use is being diminished or compromised by the rental organization.
18. No group may monopolize more space and time than is needed to meet the needs of the approved event.

19. Failure to comply with these rules and regulation will be sufficient reason to cancel future privileges.
20. No Park Facility may be used for a special event without the presence of a City representative.
