

Floral Display Competition

The Westfield in Bloom Floral Committee will be hosting the sixth annual Floral Display Competition in 2014. Help keep Westfield beautiful and enter one of 19 categories! Free and open to residents, neighborhoods, businesses, and organizations, there is a way for everyone to get involved in this beautification initiative. In 2014, the predominant color is **RED**. Although not every flower in your garden needs to be red, the use of the featured color and creativity are among the criteria our judges use to select the winners. Start planning your gardens today!
