PROJECT OVERVIEW

Location: The 8-acre property is located within the Grand Park Sports Campus along the north side of 186th Street, between Grand Park Boulevard and Kinsey Avenue (the “Property”) (**see Exhibit 2**).

Project Description: The petitioner is requesting approval for: (i) a change of zoning classification to a Planned Unit Development to be known as the “Grand Park Fieldhouse PUD”; and (ii) Detailed Development Plan for the construction of a Commercial Recreational Facility (the “Facility”), approximately 87,000 square feet in size. The Facility is designed to accommodate the use of eight (8) indoor basketball courts, with the flexibility to alter the playing surface to provide for other sport-related opportunities.

PUD DISTRICT ORDINANCE

The Grand Park Fieldhouse PUD Ordinance (the “PUD Ordinance”) (**see Exhibit 3**) was introduced to the City Council at the February 9, 2015, meeting.

Default Standards: The PUD Ordinance defaults to the provisions of the Westfield-Washington Township Unified Development Ordinance (the “UDO”), with the General Business District as the Underlying Zoning District.

Permitted Uses: The PUD Ordinance permits a Commercial Recreational Facility on the Property as well as related ancillary uses contained therein.

Development Standards: As proposed, *Chapter 6, Development Standards* of the UDO applies to the Property with the following requested modifications:

1. Parking Standards: The UDO does not include specific parking space ratio requirements for a Commercial Recreation Facility, rather, the UDO states “Parking Space requirements for other uses shall be determined by the Director based upon data supplied by the Applicant in response to traffic and parking data requested to be furnished with the application for an Improvement Location Permit¹”. As such, the proposed PUD Ordinance establishes a minimum requirement of three hundred forty-eight (348) parking spaces. This requirement is based on a calculated ratio of four (4) spaces per one thousand (1,000) square feet of gross floor area.
2. Landscaping: The proposed PUD Ordinance incorporates a landscape plan (identified as Exhibit D of the PUD Ordinance, as attached hereto as Exhibit 6) to establish the applicable landscaping standards.
3. Building Architecture and Orientation: The proposed PUD Ordinance requires the development of the Property to be in substantial compliance with the Site Plan (see Exhibit 4) and Elevations (see Exhibit 5).

Thoroughfare Plan: The Westfield-Washington Township Thoroughfare Plan roadway classification identifies 186th Street as a “Secondary Arterial”. The recommended right-of-way width for a Secondary Arterial is 120 feet.

Comprehensive Plan: The Future Land Use Concept Map in the Westfield-Washington Township Comprehensive Plan (the “Comprehensive Plan”) identifies this area as part of the Grand Park Sports Campus. The proposed project will accommodate indoor sports and events (Comprehensive Plan, page 151).

Public Hearing: Public hearings by the APC are required for Planned Unit Developments and Development Plans. The PUD Ordinance and the Development Plan are scheduled to receive a public hearing at the March 2, 2015 Advisory Plan Commission (the “APC”) meeting. Notice of the March 2, 2015, public hearing was provided for in accordance with the APC Rules of Procedure.

Statutory Considerations: Indiana Code 36-7-4-603 states that in the consideration of zoning ordinance amendments and zone map changes that reasonable regard shall be paid to:

1. The Comprehensive Plan.
2. Current conditions and the character of current structures and uses.
3. The most desirable use for which the land is adapted.
4. The conservation of property values throughout the jurisdiction.
5. Responsible growth and development.
