(AgReliant Genetics)

Hi Matt, Jennifer and Kevin:

I received three different (CK Properties, LLC, Southpark Investments, LLC and Teamm Realty, LLC) adjoining property owner notices for the new AgReliant Facility located on 169<sup>th</sup> Street. I contacted Adam DeHart of Keeler Webb and Associates, Inc. and received copies of the proposed plans.

The new facility looks great and will be another asset to our community. I fully recommend this facility for approval at tonight's City of Westfield Plan Commission meeting. Please contact me with any questions.

Best Wishes,

Jim
