Re: Oak Ridge Road/171st Street Spec Warehouse Project

Dear Amanda:

Thank you for discussing our client's spec warehouse project. As we discussed, our client, Carter Jackson, is currently evaluating whether to pursue the construction of an approximately 125,000 square foot spec warehouse just northeast of the intersection of 171st Street and Oak Ridge Road.

The warehouse is expected to have an assessed value of \$3,500,000 upon completion, and, once completed, will be large enough to hold between one and six business tenants, whose uses may include light manufacturing and storage and distribution of materials. Expected tenants are larger companies that also are considering competing spaces in Boone and Hendricks counties. Mr. Jackson estimates that within five years of completing the project, the facility will employ at least 17 employees, with an average salary of \$31,200 per year.

Attached to this letter you will find the draft SB-1 that includes the pertinent project details. Please let me know if you have any proposed changes to this narrative or the SB-1 form. Thank you for your time and consideration.

Very truly yours,

Steven D. Hardin
