(Architectural Diversity Standards)

- (1) **No duplication** of the same plan is permitted on sites next to each other in either direction or directly across the street.
- (2) **No duplication** of elevation is permitted within two sites on the same side of the street, or on the three sites across the street.
- (3) **No duplication** of colors (brick, siding, and front door in combination) on the two closest sites in any direction or on the three sites across the street.

Home mix guidelines are established to generally depict a normal ratio and frequency of individual plans, elevations and color schemes.
