PROCEDURAL

Approval of an Overall Development Plan and Primary Plat must be granted if the submitted plans demonstrate compliance with the terms of the underlying zoning district, subdivision control ordinance and/or applicable PUD District Ordinance, and variances associated with the site, and any commitments associated with the site.

PROJECT OVERVIEW

The applicable zoning district is the Mapleridge PUD District, pursuant to Ordinance No. 14-50 adopted by the Council on January 12, 2015 (recorded as Instrument No. 2015002394, in the Hamilton County Recorder's Office on January 20, 2015). The PUD Ordinance establishes the SF2 District as the underlying zoning district.

A primary plat and overall development plan for Mapleridge was approved by the Plan Commission on April 6, 2015 for sixty-eight (68) single family residential lots (APC Docket No. 1503-SPP-04 and 1503-ODP-04). Subsequently, a secondary plat was filed (Docket No. 1508-SFP-

27). As a result of further engineering the development to comply with the applicable construction plans and drainage requirements, a redesign of the site's layout was determined to be necessary. As a result, this petition was filed to amend the approved primary plat and overall development plan.

The petition was reviewed by the Technical Advisory Committee at its November 24, 2015, meeting. The public hearing for this petition was held at the Advisory Plan Commission's December 7, 2015, meeting.
