Sealed proposals for **Sleepy Hollow Drainage Improvements** will be received by the City of Westfield, Indiana, at the Westfield Public Works Building, 2706 E. 171st Street, Westfield, Indiana, 46074 until **1:00 p.m.**, local time, on **Thursday, August 3, 2017**. Bids will be publicly opened and read aloud. Any bids received later than the above time and date will be returned unopened. No conditional bids will be considered.

Project generally includes installation of storm drainage inlets, pipe and other infrastructure to provide drainage relief in and around the Sleepy Hollow subdivision located near downtown Westfield near the intersection of Sleepy Hollow Drive and East Street.

Bids shall be properly and completely executed on the Proposal Form obtainable at the office of the Owner. Each bid shall be accompanied by Form 96 Contractor's Bid for Public Works, including Non-Collusion Affidavit as prescribed by the State Board of Accounts, completely filled out, signed, and notarized as required by the statutes of the State of Indiana, Section III of Part II of Form 96 titled "Contractor's Financial Statement," and acceptable bid security. The bid security shall be a certified check made payable to the Owner or satisfactory bond by an incorporated surety company in good standing and qualified to do business in the State of Indiana in an amount equal to 5% of the bid, said deposit being for the purpose of ensuring the execution of the contract for which bid is made. Any bid not accompanied by the above required items shall be deemed to be a non-responsive bid by the Owner.

No consideration for escalation on prices can be considered; therefore, contractors are advised to not include any such escalation clauses in their proposal for this project.

The Contractors to whom work is awarded shall be required to furnish a Performance Bond and a Payment Bond, each in the amount of one hundred percent (100%) of the contract price, and they shall be acceptable to the City of Westfield, Indiana.

No bidder may withdraw their proposal within a period of 60 days following the date set for receiving bids. The City of Westfield, Indiana reserves the right to retain the three lowest bid proposals for a period of not more than 90 days, and said proposal shall remain in full force and effect during said time. The City of Westfield, Indiana further reserves the right to waive informalities and to award the contract to the lowest and most responsible bidder or bidders, all to the advantage of the City of Westfield, Indiana, or to reject all Proposals.

Because the public right-of-way provides adequate access for inspecting the project site prior to letting, Bidders are discouraged from contacting property owners for access to private property.

The Contract Documents and drawings will be available to all interested parties from: Repro Graphix, 437 North Illinois Street, Indianapolis, IN 46204 or at eplanroom.reprographix.com.
