GRAND PARK YOUTH SPORTS GUIDELINES

On May 1, 2020 Indiana Governor Eric Holcomb announced his plans for reopening Indiana communities and the Hoosier economy. Stage 2 of his plan is a beginning for us at the Grand Park Sports Campus. The following pages detail what **our** Step 1 looks like in accordance with state guidance. My purpose is to allow our community to begin to use the campus in a safe and measured way. The details attached are subject to change and strict adherence is expected by Grand Park visitors. This document will be updated on May 24 in accordance with state guidelines.

I am excited about the opportunity to welcome our community and visitors back to Grand Park. The health and safety of those visitors is our priority. As we have said throughout the COVID-19 crisis, we must take precautions, we must take care of each other and we will get through this **together**.

Sincerely,

Mayor Andy Cook

GRAND PARK STEPS TO REOPENING

MAY 24 | STEP 1	JUNE 14 | STEP 2	JULY 4 | STEP 3
Practices **100 people per defined space per sport** Westfield Family Play Practices	Tournaments **250 people per defined space per sport** Westfield Family Play Practices Modified Tournaments Field Rentals	**All Activity** Practices Tournaments Field Rentals Grand Park Membership Program
Grand Park will reopen and be available as a local green space for the Westfield community. In addition, the park will be available for local teams who would like a safe place to practice *(one team per field)* while adhereing to government guidelines. *No spectators.*	In addition to previously stated functions, Grand Park will begin hosting modified tournaments for event organizers in the surrounding area. All events will adhere to government & campus- produced guidelines to ensure safe practices. This includes continuing to wear proper PPE, social distancing, increased sanitation, segementing the campus for access control, etc.	Grand Park will look to return to standard operations with revised guidelines to continue ensuring the safety of all visitors. Westfield Open Play will transition to the Grand Park Membership Program as an opportunity for local residents to continue enjoying the park while it returns to it's envisioned purpose.
Individuals 65 and over and those with known high-risk medical conditions are encouraged to avoid coming to Grand Park. Grand Park strongly recommends that all individuals wear face coverings, social distance and practice good hygiene. Grand Park visitors must follow the CDC social distancing guidelines in order to be onsite with 100 people or less in his/her designated area of capacity. Please avoid close contact with those around you.	Individuals 65 and over and those with known high-risk medical conditions are strongly encouraged to remain cautious and adhere to social distancing guidelines. Grand Park strongly recommends that all individuals who are able wear face coverings. Grand Park visitors must follow the CDC social distancing guidelines in order to be onsite with 250 people or less in his/her designated area of capacity. Please avoid close contact with those around you.	Individuals 65 and over and those with known high-risk medical conditions should remain cautious and adhere to social distancing guidelines. Grand Park recommends, but does not require, that all individuals who are able wear face coverings. Grand Park visitors must follow the CDC social distancing guidelines in order to be onsite with more than 250 people. Please avoid close contact with those around you.

STEPS 1, 2 & 3 subject to change at the direction of the state and city officials. Athlete and visitor behavior will influence the dates defined in this strategy.

**ALL activity hosted at the Grand Park Sports Campus will adhere to safety guidelines set forth by the State of Indiana and City of Westfield.*

***Area of Capacity will be defined by the Grand Park Sports Campus and City of Westfield.*

****Capacity will include all athletes, spectators, officials AND event staff within designated area.*
